The Lost Letters Of Pergamum A Story From The New

D. A. Carson

The Lost Letters Of Pergamum A Story From The New:

The Lost Letters of Pergamum Bruce W. Longenecker, 2016-04-19 A Fascinating Glimpse into the World of the New Testament Transported two thousand years into the past readers are introduced to Antipas a Roman civic leader who has encountered the writings of the biblical author Luke Luke s history sparks Antipas s interest and they begin corresponding While the account is fictional the author is a highly respected New Testament scholar who weaves reliable historical information into a fascinating story offering a fresh engaging and creative way to learn about the New Testament world The first edition has been widely used in the classroom over 30 000 copies sold This updated edition now with improved readability and narrative flow will bring the social and political world of Jesus and his first followers to life for many more students of the Bible

The Lost Letters of Pergamum Bruce W. Longenecker, 2003 Introduces readers to the style of New Testament writings the social and political world of Jesus and his first followers and early Christian gatherings Using the literary technique of correspondence through ancient letters which comprise much of the New Testament Longenecker mixes fact and fiction to paint an interesting and informative picture of the New Testament world and early Christianity

Jesus, Skepticism, and the Problem of History Zondervan, 2019-10-08 In recent years a number of New Testament scholars engaged in academic historical Jesus studies have concluded that such scholarship cannot yield secure and illuminating conclusions about its subject arguing that the search for a historically authentic Jesus has run aground Jesus Skepticism and the Problem of History brings together a stellar lineup of New Testament scholars who contend that historical Jesus scholarship is far from dead These scholars all find value in using the tools of contemporary historical methods in the study of Jesus and Christian origins While the skeptical use of criteria to fashion a Jesus contrary to the one portrayed in the Gospels is methodologically unsound and theologically unacceptable these criteria properly formulated and applied yield positive results that support the Gospel accounts and the historical narrative in Acts This book presents a nuanced and vitally needed alternative to the skeptical extremes of revisionist Jesus scholarship that on the one hand uses historical methods to call into question the Jesus of the Gospels and on the other denies the possibility of using historical methods to learn about Jesus

The New Testament in Its World N. T. Wright, Michael F. Bird, 2019-11-19 Your ticket from the twenty first century to the era of Jesus and the first Christians A readable one volume introduction placing the entire New Testament and early Christianity in its original context written by distinguished scholar and author N T Wright An ideal guide for students The New Testament in Its World addresses the many difficult questions faced by those studying early Christianity including What was the first century understanding of the Kingdom of God What is the meaning of the resurrection in its original context What were the Gospels and how did they come about Who was Paul and why are his letters so controversial Written for both classroom and personal use this book brings together decades of ground breaking research writing and teaching into one volume It presents the New Testament books along with their subjects Jesus and the

early church within the historical and social context of Second Temple Judaism and Greco Roman politics and culture The New Testament in Its World allows you to recover the excitement of what it was like to live as Christians in the first or second centuries Features include Surveys of each New Testament book that discuss their significance and provides commentary on their contents along with implications for the Christian life Major sections on the historical Jesus the resurrection of Jesus and Paul s chronology and theology Up to date discussions of textual criticism and the canonization of the New Testament Frequent illustrations maps charts diagrams and artwork provide additional explanations and insights A distillation of the life work of N T Wright on the New Testament with input from Michael Bird Also available are Video and Workbook companion resources sold separately to enhance learning and experience the world of the New Testament

Paul and First-Century Letter Writing E. Randolph Richards, 2025-07-29 Traditional Christian art depicts Paul the letter writer pen in hand attentive to the Spirit We might think we know better and imagine him pacing in agitation as he rapidly dictates to a secretary his letter to the Galatians But in reality neither of these pictures is accurate In Paul s day producing a letter was a time consuming and costly business And we have ample resources from the ancient world to piece together what it must have been like A secretary was usually part of the picture But so were notes drafts corrections and careful rewrites not to speak of scratchy pens sooty ink and coarse papyrus Interestingly there is evidence that Paul involved his missionary team in the writing of letters And then came the delivery over land and sea the reading and circulation as well as the epistolary afterlife of copying collecting and storing E Randolph Richards has extensively studied ancient letter writing and secretaries Informed by the historical evidence and with a sharp eye for telltale clues in Paul s letters he takes us into this world and places us on the scene with Paul the letter writer What first appears to be just a study of secretaries and stationery turns out to be an intriguing glimpse of Paul the letter writer that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be **Experiencing the Apocalypse** Dan J.

Harvey, 2023-06-13 John s Revelation is the most misunderstood book of the Bible Even church fathers Martin Luther and other Protestant leaders questioned its inclusion in the Bible The book of Revelation is not meant to be a complex puzzle itching to be solved Rather it is a first century document that needs to be understood in the context of the Greco Roman world while paying close attention to the hundreds of allusions to Old Testament Scripture **Anthropology and New**

Testament Theology Jason Maston, Benjamin E. Reynolds, 2018-02-22 This volume considers the New Testament in the light of anthropological study in particular the current trend towards theological anthropology The book begins with three essays that survey the context in which the New Testament was written covering the Old Testament early Jewish writings and the literature of the Greco Roman world Chapters then explore the anthropological ideas found in the texts of the New Testament and in the thought of its writers notably that of Paul The volume concludes with pieces from Brian S Roser and Ephraim Radner who bring the whole exploration together by reflecting on the theological implications of the New Testament

s anthropological ideas Taken together the chapters in this volume address the question that humans have been asking since at least the earliest days of recorded history what does it mean to be human The presence of this question in modern theology and its current prevalence in popular culture makes this volume both a timely and relevant interdisciplinary addition to the scholarly conversation around the New Testament Interpreting the New Testament Text Darrell L. Bock, Buist M. Fanning, 2006-10-20 With the explosive increase in availability of English Bible translations the question can easily be asked Why bother with the hard work of biblical exegesis Computers can translate foreign languages and our English texts can take us very close to the original meanings so why exegete Answer because the deepest truths of the Bible are found through the deepest study This book teaches the principles methods and fundamentals of exegeting the New Testament It also has examples of textual exegesis that clearly and helpfully show the value of exegeting a text well Any serious student of Scripture would benefit from utilizing this book in the study of the Bible The Cambridge Companion to St Paul James D. G. Dunn, 2003-10-16 The apostle Paul has been justifiably described as the first and greatest Christian theologian His letters were among the earliest documents to be included in the New Testament and as such they shaped Christian thinking from the beginning As a missionary theologian and pastor Paul's own wrestling with theological and ethical questions of his day is paradigmatic for Christian theology not least for Christianity's own identity and continuing relationship with Judaism The Cambridge Companion to St Paul provides an important assessment of this apostle and a fresh appreciation of his continuing significance today With eighteen chapters written by a team of leading international specialists on Paul the Companion provides a sympathetic and critical overview of the apostle covering his life and work his letters and his theology The volume will provide an invaluable starting point and helpful cross check for subsequent studies

Introducing the New Testament John Drane, 2019-10-04 Continuously in print for over 30 years and available in many different languages John Drane's Introducing the New Testament has long been recognized as an authoritative and accessible survey of the subject This new edition has been fully revised and updated with fresh material on the many political contexts in which the early church flourished along with new insights into the writing and reception of written texts in what was essentially an oral culture Specific issues that will be of particular interest to students are highlighted in special boxed feature sections along with an extensive glossary of technical terms and key maps and diagrams This book is the ideal starting point for readers who wish to explore the New Testament and its world in the light of recent scholarship and its relevance to life in the twenty first century **Themelios, Volume 40, Issue 1** D. A. Carson, 2015-05-18 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial

team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary

Romans Disarmed Sylvia C. Keesmaat, Brian J. Walsh, 2019-05-21 Globalization Homelessness Ecological and economic crisis Conflicts over sexuality Violence These crisis level issues may seem unique to our times but Paul's Letter to the Romans has something to say to all of them Following their successful Colossians Remixed Sylvia Keesmaat and Brian Walsh unpack the meaning of Romans for its original context and for today The authors demonstrate how Romans disarms the political economic and cultural power of the Roman Empire and how this ancient letter offers hope in today's crisis laden world Romans Disarmed helps readers enter the world of ancient Rome and see how Paul's most radical letter transforms the lives of the marginalized then and now Intentionally avoiding abstract debates about Paul's theology Keesmaat and Walsh move back and forth between the present and the past as they explore themes of home economic justice creation care the violence of the state sexuality and Indigenous reconciliation They show how Romans engages with the lived reality of those who suffer from injustice both in the first century and in the midst of our own imperial realities

Teaching Religion Using Technology in Higher Education John Hilton III, 2018-03-19 This edited collection helps those teaching religion in higher education utilize technology to increase student learning both inside and outside of the classroom Recent times have seen major technological shifts that have important implications for how religion is taught at a post secondary level Providing multiple perspectives on a range of topics including social media use and interactive classroom learning this book presents a series of original case studies and insights on how technology can be used in religion classes in higher education to improve student learning

Apostle of the Crucified Lord Gorman, Michael, 2017 THIS COMPREHENSIVE WIDELY USED TEXT by Michael Gorman presents a theologically focused historically grounded interpretation of the apostle Paul and raises significant questions for engaging Paul today After providing substantial background information on Paul's world career letters gospel spirituality and theology Gorman covers in full detail each of the thirteen Pauline epistles Enhancing the text are questions for reflection and discussion at the end of each chapter as well as numerous photos maps and tables throughout The new introduction in this second edition helpfully situates the book

within current approaches to Paul Gorman also brings the conversation up to date with major recent developments in Pauline studies and devotes greater attention to themes of participation transformation resurrection justice and peace *Grasping God's Word, Fourth Edition* J. Scott Duvall, J. Daniel Hays, 2020-10-13 A Proven Approach to Help You Interpret and Understand the Bible Grasping God's Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read interpret and apply the Bible for themselves This book will equip you with a five step Interpretive Journey that will help you make sense of any passage in the Bible It will also guide you through all the different genres found in the Bible to help you learn the specifics of how to best approach each one Filling the gap between approaches that are too simple and others that are too technical this book starts by equipping readers with general principles of interpretation then moves on to apply those principles to specific genres and contexts Features include Proven in classrooms across the country Hands on exercises to guide students through the interpretation process Emphasis on real life application Supplemented by a website for professors providing extensive teaching materials Accompanying workbook video lectures laminated study guide sold separately This fourth edition includes revised chapters on word studies and Bible translations updated illustrations cultural references bibliography and assignments This book is the ideal resource for anyone looking for a step by step guide that will teach them how to accurately and faithfully interpret the Bible **Centered-Set Church** Mark D. Baker, 2022-01-18 Is there an alternative to the church's impulse to either obsess over boundaries or erase them completely Building on the work of Paul Hiebert Mark D Baker provides a unique manual for understanding and applying the vision of a centered church charting a new path for congregations and leaders to grow in authentic freedom and dynamic movement toward the true center Jesus himself 1 Corinthians Mark Reasoner, 2025-09-12 This commentary offers a deep dive into the first century city of Roman Corinth insight from patristic commentaries on 1 Corinthians and a focus on Paul's call for unity in the church Its thesis is that Paul counters the Corinthians prioritization of knowledge by calling them to focus on the message of the crucified and risen Christ while embodying the virtue of love to animate and unify the church From beginning to end this commentary evokes appreciation of Paul's letter of 1 Corinthians as an artifact of first century social history and prompts reflection on the letter's challenge to Christ followers for what it means to be the church

Revelation (Teach the Text Commentary Series) J. Scott Duvall, 2014-10-14 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text **An Introduction to Empire in the New Testament** Adam Winn, 2016-06-24 Explore how empire is a crucial foreground for reading and interpreting the New Testament In the last three decades significant attention has been given to the way in which New Testament texts engage and respond to the

imperial world in which they were written The purpose of the present volume is to introduce students and non specialists to the growing subfield of New Testament studies known as empire studies Contributors seek to make readers aware of the significant work that has already been produced while also pointing them to new ways in which this field is moving forward The contributors are Bruce W Longenecker Richard A Horsley Warren Carter Adam Winn Eric D Barreto Beth M Sheppard Neil Elliot James R Harrison Harry O Maier Deborah Krause Jason A Whitlark Matthew R Hauge Kelly D Liebengood and Davina C Lopez Features Essays from a diverse group of interpreters who at times have differing presuppositions methods and concerns Articles introduce students and non specialists to the Roman imperial realities regularly encountered by first and second century Christians Contributions explore the strategies employed by early Christians to respond to the Roman empire *The New Testament in Its First Century Setting* Bruce W. Winter, 2004
