The Making Of The Prefident The Unauthorized Caign Biography:

The Making of the President, 1789 Marvin Kitman,1991 **The Making of the Prefident 1789** Marvin Kitman,2000
Satire of the contemporary campaign insider book while making the case that George Washington was not only First in War
First in Peace He was also first among the Founding Fathers in gambling drinking and social climbing Legal History of
the Presidential Election Campaign Fund Act ,1991 The American Presidents, Washington to Tyler Robert A.
Nowlan,2014-01-10 As of 2012 only 43 men have held the office of the President of the United States Some have been
sanctified and some reviled This historical work addresses the careers of the first ten presidents men who made vital
contributions not only to the office of the presidency but to the course of the fledgling nation From Washington through Tyler
every term is recounted in detail and each presidential profile provides as many as a hundred quotations with full source
notes by the president his friends family historians and others Each profile ends with an extensive bibliography of books
about the president his principles and policies and also provides suggestion for further reading Rigorously nonpartisan in
approach this detail rich text describes the early years of what may well be one of the most demanding jobs in the world
Inventing Ethan Allen John J. Duffy,H. Nicholas Muller, III,2014-06-03 Since 1969 Ethan Allen has been the subject of
three biographical studies all of which indulge in sustaining and revitalizing the image of Allen as a physically imposing
Vermont yeoman a defender of the rights of Americans an eloquent military hero and a master of many guises from rough
frontiersman to gentleman philosopher Seeking the authentic Ethan Allen the authors of this volume ask How did that Ethan
Allen secure his place in popular culture As they observe this spectacular persona leaves little room for a more accurate
assessment of Allen as a self interested land speculator rebellious mob leader inexperienced militia officer and truth
challenged man who would steer Vermont into the British Empire Drawing extensively from the correspondence in Ethan
Allen and his Kin and a wide range of historical political and cultural sources Duffy and Muller analyze the factors that led to
Ethan Allen s two hundred year old status as the most famous figure in Vermont s past Placing facts against myths the
authors reveal how Allen acquired and retained his iconic image how the much repeated legends composed after his death
coincide with his life why recollections of him are synonymous with the story of Vermont and why some Vermonters still
assign to Allen their own cherished and idealized values **Wisconsin Magazine of History** Milo Milton Quaife,Joseph

Humphrey on economic policy foreign relations and political reform to demonstrate how the Democratic party lost its place
