Brazier,2012-09-20 This bibliography and resource consists of a chronological introduction to the development of Lewis s works a copious bibliography and a guide to the study of Lewis an introductory essay on Christology in Lewis and a glossary for those unfamiliar with some of the background and terms to Lewis s understanding of revelation and the Christ It will be an invaluable resource for all scholars of C S Lewis The bibliography stands alone but it also serves to complement the three volumes of the series C S Lewis Revelation and the Christ *The Misquotable C.S. Lewis* William O'Flaherty,2018-03-16 C S Lewis wrote many great words but not everything you see with his name on it is from the famed author of the Narnia books Seventy five quotations are presented that have an association in one way or another with a host of names including Ryan Seacrest Anthony Hopkins Max Lucado Rick Warren and Tim Allen Learn the three most common ways Lewis is misrepresented 1 Falsely Attributed Quotes Expressions that are NOT by him 2 Paraphrased Words that are ALMOST what

he said 3 Out of Context Material he wrote but are NOT QUITE what he believed This book doesn't stop there Also discover what Lewis actually said that is related to the presented misquotes Those new to Lewis and the more serious reader of his works will grow in their appreciation of a writer that is not only quotable but obviously misquotable **The Professor of Narnia** Will Vaus, 2008 For all fans of The Narnia Chronicles The Professor of Narnia is a fascinating and historically accurate portrayal of one of the greatest Christian writers of all time This biography of Lewis is a must have for Christian schools and homes It traces the intense spiritual journey and key friendships that eventually led C S Lewis to wholehearted faith in Jesus and interweaves the various themes from The Narnia Chronicles with the spiritual battles Lewis encountered in his own life Have you ever wanted to meet the man behind the magical land of Narnia Now you can Let this book introduce you to C S Lewis the Oxford tutor and Cambridge Professor of Medieval and Renaissance English Literature who wrote the seven books The Chronicles of Narnia Learn what made the creator of the most beloved fairy tales of the 20th century the man he was Along the way you will visit all the important places of Lewis's life from Belfast Northern Ireland to the trenches in France from the universities of Oxford and Cambridge to the steps of the Parthenon in Greece On this fascinating trip you will also meet some of Lewis's family members his father Albert the police court lawyer his brilliant mother Flora and his fun loving brother Warren You will be introduced to some of Lewis's best friends and most important companions like J R R Tolkien author of The Hobbit and The Lord of the Rings and Joy Davidman Gresham the poet and novelist whom Lewis married late in life Our sources of transportation for this journey will be varied Mainly we will be using a good bit of historical imagination As we do so we will join Jack in a horse drawn carriage as he goes off to boarding school for the first time We will travel with the Lewis brothers numerous times by steamship across the Irish Sea back and forth to England where they were educated We will join Jack atop a red double decker bus where he meets one of all people God And we will bump along in Warren's side car as he takes his brother Jack to Whipsnade Zoo the place where Jack will begin a personal relationship with Jesus Christ Last but not least we will even fly with Jack and Joy on an airplane to Greece where they will climb to the top of the Acropolis in Athens only months before Joy's death As we journey through C S Lewis's 65 years of life on planet earth from 1898 to 1963 he died the same day as JFK we will see how Jack dealt with many painful experiences the loss of his mother to cancer at age 9 separation from his home when he was sent to boarding school the same year being wounded in the trenches of France during World War I caring for the elderly mother of a schoolmate who died in the First World War the loss of his best friend at the end of World War II his brother Warren's alcoholism his late in life marriage to Joy and her subsequent death from cancer just four years later Learn about Jack's vast reading of all the great literature of the western tradition from the Iliad of Homer down to the fairy tales of George MacDonald Discover how Lewis's mind boggling knowledge of mythic literature influenced the writing of the Narnia books Find out how C S Lewis wrote over 40 books during his lifetime carried on a full time job as a professor lectured widely on Christianity took care of his family and

S. Lewis** K. Alan Snyder, 2016-09-01 The continuing interest in the works of C S Lewis long after his death in 1963 is a testament to the influence his writings have had on the English speaking world not to mention the many translations of his works into other languages His own home nation of Great Britain was actually slower in appreciating his offerings than the United States Lewis s books made a major impact on the American reading public starting with the publication of the American version of *The Screwtape Letters* in 1943 Lewis has not only influenced the lives of Americans we may consider prominent but also the multitude of individuals who have come across his works and have been deeply affected spiritually by what they read The goal of this study is to document as much as possible the impact of Lewis on Americans from his lifetime until the present day It also seeks to understand just why Lewis caught on in America to such a degree and why he remains so popular
