Study Guide Medical Coding And Billing:

Medical Coding Study Guide Speedy Publishing, 2014-11-26 Individuals who are preparing to take medical coding exams should note that study guides can help them earn the competitive score they want. This is the case for several reasons including the fact that these study guides tend to incorporate a lot of helpful material including medical and anatomy terminology reviews, testing techniques for the exam questions that parallel the CPC certification exam, practical examples, review questions designed to test the student's knowledge of important coding concepts and many more.

Medical Billing N' Coding Q/A Lisa Lambert, 2020-01-13 This is a book for questions about what medical coding and medical billing is, how to start your own business as a medical coder at home or even a medical biller. The book tutors students to pass the AAPC CPC exam. The book also has full course information. The sessions include Medical Billing, Coding, Medical Terminology, body systems definitions, and a host of surgical descriptions. The book also has testing techniques along with pictures to give you an idea of what the field is about. The class is about motivation and helping people achieve their goals. The book has a huge amount of answers for people who are wanting to grow into the next level of Medical Billing and Coding or just for people who are at home who want to learn about medical coding and billing as a profession and how they can learn the skill. This book is an informational tool for those who want many questions answered about billing and coding. The awesome thing that stands out in this book is that you can ask the author questions live if the reader does not see something that they may have a question about; they can email the author or via phone contact. The reader can also contact the instructor through the class to ask questions; this is all free. The book is designed to educate and inform new students and prior students on how to take the billing and coding to the next level. All the stories and summaries in the book are real life experiences. The book introduces a class session that can be taken at the pace of the student whether you are working full time or part time; a schedule will be prepared for the student to accomplish their goal. Most importantly, information on passing the CPC certified professional coder exam: this exam is given through AAPC American Academy of Professional Coders; it is one of the most important exams a student will take. The fun of just mastering a skill and knowing how well you are in it and how you can perform the task is a plus in the billing and coding world. Being certified will set you apart from the uncertified; you will have more of an opportunity to excel in the field either working at home or in a medical facility. You and I will take this journey together. If your home and watching television just trying to figure out what to do, what is next, what career should you do, this is the one for you. Read the book; all those questions you had will be answered. In this book you will see motivation, inspiration, and transformation.
