 Guide, 8th edition Judith E. Tintinalli,J. Stephan Stapczynski,O. John Ma,David M. Cline,Garth D. Meckler,2016-03-22 The
 most widely used and highly regarded textbook and reference of emergency medicine Endorsed by the American College of
 Emergency Physicians The 8th edition of Tintinalli s Emergency Medicine provides the depth and breadth of coverage that
 reflects the complexity and expertise needed to practice emergency medicine successfully in today s fast paced environments
 It is an important contemporary clinical emergency care resource for physicians NPs and PAs who practice emergency
 medicine and for emergency medicine and pediatric emergency medicine fellows It remains the preferred study guide for in
 training and board examinations and recertification NEW to this edition Full color design with more tables than ever to
 succinctly present key information Extensive updates to all sections incorporating the latest guidelines evidence based
 protocols and relevant research Expanded pediatric section with complete clinical information for general and pediatric
 emergency physicians Expanded coverage of common emergency department procedures with improved illustrations Online
 access to more than 30 videos covering a wide range of procedural and diagnostic topics and focusing on the latest
 ultrasound guided techniques From the reviews of the seventh edition Collectively they have once again produced an
 excellent text that manages to cover the broad scope of emergency medicine while remaining an easily readable and
 practical resource Last for the inevitable comparison of this current edition of Tintinalli s Emergency Medicine with other
 available emergency medicine textbooks available in my opinion Tintinalli s still comes out on top It is more concise and
 easier to read than some yet it covers the breadth of emergency medicine practice more comprehensively than others Just as
 previous editions did the seventh presents all of the most pertinent and up to date information in a well organized format that

is comprehensive yet easy to read That and many of the attractive new features in this current edition will ensure its place on my bookshelf for years to come JAMA
