The setting of this story was in 2081, in middle-America.

Type of Conflict: *Man vs. Society*

Describe the main conflict.

The conflict of this story is Man vs. Society because Harrison Bergeron has great intelligence, height, strength, and beauty so he has to wear big handicaps because the H-G people made everyone equal. Because society has to be equal, this makes the exceptional people having to cover their greatness with objects such as masks, and handicaps.

Describe the Climax of the Story.

The climax of the story was when Harrison was choosing someone to marry, and took off all his equipment, and she took off her mask that hid her beauty, and Diana shooting them because of it.

How does the Protagonist change over the course of the story?

The protagonist started following the rules about equality, but then in the climax of the story, he took it all off, not scared of the dangers of it, and acting all mighty by forcing the musicians to play music and take off their handicaps.

Describe the relationship between the title and the theme.

The relationship between the title, "Harrison Bergeron", and the theme, "Freedom is costly" is related because Harrison Bergeron has no freedom of anything, and is forced to wear big handicaps, and other tools to make him looks equal with everyone else.

How does the main conflict help to illustrate the theme?

The main conflict of Man vs. Society helps illustrate the theme of "Freedom is costly" because society was the thing that caused the Man to lose his freedom from being better than others in certain things.

How does the climax help to illustrate the theme?

The climax of when Harrison was choosing someone to marry helped illustrate the theme of "Freedom is costly" because Harrison at that time was free from his handicaps, and the ballerina free from the mask that hid her beauty, ignoring the risk of being shot dead, and loving the moment.
