Too Close For Comfort:

Too Close for Comfort? Linda Perlman Gordon, Susan Shaffer, 2009-09-01 A fascinating look at how mothers and their adult daughters have formed a greater friendship than generations past and whether or not there should be boundaries. No relationship is more complicated than the one between mothers and daughters especially today when a cultural shift can cause a longer period of time of overlapping interests before the traditional adult markers of marriage and family. As a result, these young women are developing deeper bonds with their own mothers, a relationship that sometimes mimics friendship. But are these close bonds healthy? Is it time to cut the umbilical cord? In this eye-opening book, Linda Perlman Gordon and Susan Morris Shaffer explore the modern mother-daughter relationship in all its glorious complexity. Combining a brilliant sociological analysis with fascinating stories of real-life women, *Too Close for Comfort* provides a rich, provocative look at the ways mothers and daughters get it right, how they get it wrong, and how they can happily maintain being friends as well as mothers and daughters.

Too Close for Comfort Clover Cox, 2024-03-19 Phillip has never told anyone that he's a crossdresser, but he confesses the truth when his best friend Harvey accidentally finds a pair of his panties. Harvey and Phillip became friends when they both worked at the same department store, and life just seems easier when they're together. One random day, Harvey finds a pair of Phillip's girly undergarments and asks him who he's been seeing, and for whatever reason, Phillip decides to tell Harvey the truth instead of lying. Things are a little awkward when Phillip first tells Harvey that he's a crossdresser, but everything changes when Harvey sees Phillip dressed as his femme self, Fatima. Harvey can't deny his attraction, and what's so bad about having a little fun with his best friend when he looks so cute as a girl? *Too Close for Comfort* is a sweet and steamy crossdressing romance about two guys who decide to let their guards down to discover a love greater than any they ever thought possible.

Too Close for Comfort Dale P. Harper, 2001 According to the articles of the Geneva Convention, hospitals, hospital ships, and medical facilities are not to be subjected to enemy attacks during the war. On April 28, 1945, 50 miles south of Okinawa, a Japanese kamikaze pilot ignored this fact and crashed his plane into the U.S. Navy hospital ship *Comfort*. This book gives a complete account of the attack and the repercussions that followed.

TOO CLOSE FOR COMFORT Jessica Matthews, 2011-07-15 Sisters at Heart: What could Adam do to convince Naomi to stay? Dear Adam, I hereby resign from Deer Creek Hospital. After having been reluctantly placed here to recuperate from my illness, I learned to love working in this environment, which is totally different to ER. I especially enjoyed getting to know the patients and have finally overcome my fear of emotional contact, which, as you know, was because of my painful past. However, even though I care for you deeply, my failure to get the position of ER Supervisor in the city was devastating, and consequently, I must leave Deer Creek. Please understand my reasons and never forget the wonderful time we had together. Sincerely, Naomi. Beth, Kirsten, and Naomi. Three good friends, Sisters at Heart.

Piorkowski,2007-10-10 Countless experts offer us advice on how to create the perfect relationship fostering the unrealistic expectation that forming an intimate bond will be a painless experience Unfortunately few experts are willing to confront the powerful challenges and emotions inherent within close relationships today In contrast to other intimacy books *Too Close for Comfort* vividly describes the surprising dangers damage to self esteem inadequacies and immaturities that characterize the contemporary state of romantic intimacy *Too Close for Comfort* compassionately explores the risks and misunderstandings that occur within many intimate relationships Romantic partners tend to hurt each other not only by insensitivity and neglect but also by criticism abuse and betrayal most of which spring from insecurity Dr Piorkowski a noted consulting psychologist and educator focuses on the vulnerability both partners experience in intimacy due to the emergence of strong unrealistic needs that are almost impossible to satisfy The author contends that people avoid the perils of intimacy by donning one or more defensive masks ranging from acting superior to mysterious comical to withdrawn self sufficient to dependent in an effort to protect themselves from emotional exposure Presenting a fascinating range of clinical examples she sensitively depicts the fears of intimacy that limit contact namely psychological concerns about loss of control or autonomy feelings of disappointment and abandonment or of being attacked and made to feel guilty Depicting women s reliance on verbal expression to achieve an emotional connection versus men s dependence on physical contact Dr Piorkowski brilliantly elucidates the complex barriers to intimacy especially the chasms of misunderstanding created by vast sexual differences and attitudes While this book is unique in its exposition of the dangers in intimacy its message is not pessimistic
