ordinator at the International School of Dusseldorf and has vast experience of teaching ESL students Perspectives on the IB Diploma Core Jeff Thompson, Judith Fabian, Mary Hayden, 2019-10-15 The Diploma Programme was the first programme to be devised and implemented by the International Baccalaureate over fifty years ago Since its creation the curriculum upon which the programme is based has been continuously developed to take into account the rapidly changing needs of students schools higher education and employment contexts For much of that time the programme has included three essential components that must be undertaken by students who wish to graduate with the Diploma Theory of Knowledge Extended Essay and Creativity Activity Service CAS Taken together over time these have come to be regarded as a core of the Diploma Programme although they were not described as such at the outset This edited collection is intended to provide input into the current review of the IB Diploma Programme It comprises contributions from experienced authors researchers and practitioners who were invited to reflect upon the nature of the core as it exists at present to raise issues in relation to the future development of the core and to share experience in the learning and teaching of the core components across a wide range of schools in both national and international systems of education Questions concerning the concept of the core as a whole developing students as internationally minded thinkers and the challenges of bringing coherence to the core in establishing a holistic approach to the curriculum underpin the individual chapters throughout Contributors Edward Allanson Tom Brodie John Cannings Christian Chiarenza Mary Donnellan Jenny Gillett Robin Julian Julian Kitching Justin Laleh Ann Lautrette James MacDonald Shona McIntosh Heather Michael Paul Regan John Royce John Sprague George Walker

Redeeming Democracy in America Wilson Carey McWilliams, 2011-05-24 Wherever we turn in America today we see angry citizens disparaging government distrusting each other avoiding civic life and professing a hatred of politics and politicians of all stripes Is our situation hopeless Wilson Carey McWilliams wouldn't think so McWilliams one of the preeminent political theorists of the twentieth century was closely identified with an ambitious intellectual enterprise to reclaim and restore democracy as a source of national veneration inspiration and salvation Better than most of his contemporaries he understood and illuminated the major sources of the political malaise that afflicts our nation's citizens For him the key to reinvigorating our republic depends on our ability to reclaim the second voice of American politics the one that emanates from our literature churches families and schools and speaks out on behalf of community and civic responsibility The writings gathered here cohere into McWilliams's most mature and most developed philosophical statement the distillation of a distinguished career of thinking about the American experiment From insights into The Framers and the Constitution to reflections on America as Technological Republic he shares a love for an older tradition of democracy one based upon the active self rule of self governing citizens Protestant Prudence and Natural Rights and On Equality as the Moral Foundation for Community may force readers to adjust their understandings of American politics while Democracy and the Citizen and Political Parties as Civic Associations will resound for observers of the current political scene regardless of

party Carey McWilliams not only offers a prescient analysis of the current crisis in American citizenship and governance but also shows us what sources within the American tradition might exist to save us from our worst selves His broad and iconoclastic approach to American politics should appeal to both conservatives and liberals to anyone in fact who cares about the state of democracy in America Theory of Knowledge for the IB Diploma Fourth Edition Carolyn P.
