

WELCOME SPEECH FOR CONFERENCE

- There will be plenty of knowledge enhancing activities such as debates, public speaking and puzzles for students and an esteemed member of panellists will be the judges for these activities.
- The main outcome of this conference is to come up with the national and international framework for the education system in the future.
- The crux of this conference will be the use of digital technologies such as artificial intelligence, augmented reality and virtual reality that is being increasingly adopted after the outbreak of the COVID-19 pandemic.
- We hope this three-day conference would help students expand their mental horizon and help the Indian education system adopt the best of the education system is around the world.
- I request all the students from across the country to make use of these 3 days to the best of their abilities.
