Califia the West Calling the World Western Literature Association (U.S.),2013 The name of California derives from the legend of Califia the queen of an island inhabited by dark skinned Amazons in a 1521 novel by Garci Ord ez de Montalvo Las Sergas de Esplandi n Califia has been depicted as the Spirit of California and she often figures in the myth of California s origin symbolizing an untamed and bountiful land prior to European settlement California has been calling to the world ever since as land of promise dreams and abundance but also as a land of harsh reality Introduction in program guide Western American Literature ,1968 *Updating the Literary West* ,1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West s literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of LHAW western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of LHAW This volume again affirms the West s literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister **A Companion to American Literature and Culture** Paul Lauter,2020-09-21 This expansive Companion offers a set of fresh perspectives on the wealth of texts produced in and around what is now the United States Highlights the diverse voices that constitute American literature embracing oral traditions slave narratives regional writing literature of the environment and more Demonstrates that American literature was multicultural before Europeans arrived on the continent and even more so thereafter Offers three distinct paradigms for thinking about American literature focusing on genealogies of American literary study writers and issues and contemporary theories and practices Enables students and researchers to generate richer more varied and more comprehensive readings of American literature **The New American West in Literature and the Arts** Amaia Ibarra-Bigalondo,2020-05-12 The story of the American West is that of a journey It is the story of a movement of a geographical and human transition of the delineation of a route that would soon become a rooted myth The story of the American West has similarly journeyed across boundaries in a two way

movement sometimes feeding the idea of that myth sometimes challenging it This collection of essays relates to the notion of the traveling essence of the myth of the American West from different geographical and disciplinary standpoints The volume originates in Europe in Spain where the myth traveled was received assimilated and re presented It intends to travel back to the West in a two way cross cultural journey which will hopefully contribute to the delineation of the New always self renewing American West It includes the work of authors of both sides of the Atlantic ocean who propose a cross cultural transdisciplinary dialogue upon the idea the geography and the representation of the American West

The Routledge Companion to Gender and the American West Susan Bernardin, 2022-06-19 This is the first major collection to remap the American West through the intersectional lens of gender and sexuality especially in relation to race and Indigeneity Organized through several interrelated key concepts The Routledge Companion to Gender and the American West addresses gender and sexuality from and across diverse and divergent methodologies Comprising 34 chapters by a team of international contributors the Companion is divided into four parts Genealogies Bodies Movements Lands The volume features leading and newer scholars whose essays connect interdisciplinary fields including Indigenous Studies Latinx and Asian American Studies Western American Studies and Queer Feminist and Gender Studies Through innovative methodologies and reclaimed archives of knowledge contributors model fresh frameworks for thinking about relations of power and place gender and genre settler colonization and decolonial resistance Even as they reckon with the ongoing gendered and racialized violence at the core of the American West contributors forge new lexicons for imagining alternative Western futures This pathbreaking collection will be invaluable to scholars and students studying the origins myths histories and legacies of the American West This is a foundational collection that will become invaluable to scholars and students across a range of disciplines including Gender and Sexuality Studies Literary Studies Indigenous Studies and Latinx Studies

The Places of Modernity in Early Mexican American Literature, 1848-1948 José F. Aranda, 2022-02 2023 Choice Outstanding Academic Title In *The Places of Modernity in Early Mexican American Literature 1848-1948* Jos F Aranda Jr describes the first one hundred years of Mexican American literature He argues for the importance of interrogating the concept of modernity in light of what has emerged as a canon of earlier pre 1968 Mexican American literature In order to

understand modernity for diverse communities of Mexican Americans he contends one must see it as an apprehension both symbolic and material of one settler colonial world order giving way to another more powerful colonialist but imperial vision of North America Letters folklore print culture and literary production demonstrate how a new Anglo American political imaginary revised and realigned centuries old discourses on race gender class religion citizenship power and sovereignty The modern Aranda argues makes itself visible in cultural productions being foisted on a conquered people who were themselves beneficiaries of a notion of the modern that began in 1492 For Mexican Americans modernity is less about any particular angst over global imperial designs or cultures of capitalism and more about becoming the subordinates of a nation building project that ushers the United States into the twentieth century Crisscrossing Borders in Literature of the American West

R. Dyck, C. Reutter, 2009-03-02 In one consequential volume Crisscrossing Borders in Literature of the American West presents the cross section of a fast changing and greatly expanded field Through interdisciplinary essays this volume on the post national West challenges the idea of a unified national story sustained by strategic exclusions Contributors analyze the economic and environmental exploitation depicted in working class Western literature emphasize the transnational by approaching both the North South and cross Atlantic axes grapple with the role of Mormons and dissect the new masculinity of Silicon Gunslingers Each essay successfully and compellingly models a new and fruitful way of engaging the West

Western American Literature, 1982 *New Westers* Michael L. Johnson, 1996 These New Westers Johnson reveals line dance and two step listen to Garth Brooks and George Strait drink beer from long neck bottles wear clothes ordered from Sheplers watch rodeo on ESPN play Wild West arcade games eat fajitas and tacos in stuccoed Mexican cafes collect Western art and Native American crafts and vacation in and move to the West New Westers rewrite the history and biography of the West They reimagine the West in Cowboy sagas and poetry Native American novels Mexican American drama nature writing revisionist films eclectic visual artwork and neo traditional music They flock to movies like *Thelma and Louise* *Unforgiven* and *Dances with Wolves* watch mini series like *Lonesome Dove* and read bestsellers like *The Crossing* and *All The Pretty Horses* New Westers are men and women who may or may not have ever hitched up a horse but who crave connection with the West At the end of a century of urbanization technological change and cultural confusion they seek a more natural home a fuller and wider sense of place and a deeper and more colorful personal identity They also want to revive the dream of the mythic West but on different terms They overrun the Old West and yet strive to preserve it raising troubling new concerns about the differences between the mythic and the real between traditional and contemporary cultural influences *Delbert E. Wylder Correspondence*, 1963 Included is correspondence concerning the Western Literature Association U S and the publication of the journal *Western American literature* Major correspondents are Max Westbrook W H William Henry Hutchinson Frederick Manfred James Fife and J Golden Taylor *Newsletter - American Comparative Literature Association* American Comparative Literature Association, 1975 **A Literary History of the American West** Western Literature

Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance *American History Through Literature, 1870-1920* Tom Quirk,Gary Scharnhorst,2006 This volume organized from addiction to Ghost stories features articles on works ideas genres aesthetics events places societal values and the history of publishing from 1870 to 1920 **Hunger for the Wild** Michael L. Johnson,2007 Americans have had an enduring yet ambivalent obsession with the West as both a place and a state of mind Michael L Johnson considers how that obsession originated how it has determined attitudes toward and activities in the West and how it has changed over the centuries **Chicano Periodical Index** ,1987 **Twentieth-century American Western Writers** Richard H. Cracroft,2002 This award winning multi volume series is dedicated to making literature and its creators better understood and more accessible to students and interested readers while satisfying the standards of librarians teachers and scholars Dictionary of Literary Biography provides reliable information in an easily comprehensible format while placing writers in the larger perspective of literary history Dictionary of Literary Biography systematically presents career biographies and criticism of writers from all eras and all genres through volumes dedicated to specific types of literature and time periods For a listing of Dictionary of Literary Biography volumes sorted by genre click here 01 [Willa Cather Pioneer Memorial and Educational Foundation Newsletter and Review](#) ,2003
