Violated By Monsters The Wendigo Tribe:

California Gothic: The Dark Side of the Dream Charles L. Crow, 2024-01-16 California Gothic explores the California dream and its dark inversion as a nightmare as illustrated in fiction poetry and film California began as a literary invention a magic island in a Spanish romance before conquistadors first visited the land From early days to the present the California dream of happiness in a land of new beginnings has been maintained by suppression of disturbing realities above all the destruction of native peoples and by events and facts such as the tragedy of the Donner Party the persistence of poverty and crime in the golden land disturbing crimes such as the Black Dahlia and pandemics and ecological disaster This book explores a rich Gothic tradition that exposes the repressed past and imagines the fates awaiting a failed California
