

Congratulations on the purchase of your state-of-the-art Viper SmartStart system. Reading this user's guide prior to using your system will get you off to a quick and smooth start.

Start Here

Before you can start using your system, the following steps must be performed:

1. Download the free SmartStart application to your smartphone from the iTunes App Store, BlackBerry App World or Android Market site depending on which brand you own. Links to download BlackBerry and Android apps are also available at www.viper.com/SmartStart
2. Have the SmartStart system installed by your authorized Directed dealer. Once installed and activated by the installer, you will receive an e-mail prompting you to activate your account. Your installer can also provide you with information about your system.
3. After you activate your account, enter your username and password on the More/Settings tab of the handset app to activate your SmartStart app.
4. Once you have completed the log-in process on your smartphone, you can begin using your app to control your vehicle(s). From the Car screen, select the vehicle you wish to send commands to.

Note 1: Accessing SmartStart GPS features in the app requires installation of VSM250 SmartStart GPS module.

Note 2: Accessing Home Control features in the app requires compatible home security panel. See www.alarm.com for more details on compatible hardware.

Note 3: Smartphone coverage for GPS and other features may differ by platform. Please visit www.viper.com/SmartStart for the most current information on app/smartphone coverage.
