Vire Wars Dead Aim English Edition:

The Scottish Pulpit, 1844 **The Kentucky Derby, Preakness and Belmont Stakes** Richard Sowers, 2014-03-11 This is the definitive history of thoroughbred racing's three premier events which have never before been explored in such detail. This book gives the history of America's classic races from the inaugural Belmont Stakes in 1867 through 2013, identifying which equine participants were truly worthy of lasting acclaim and which were one-hit wonders. Perhaps even more compelling are the stories of the men and women who rode, trained, owned or bred classic winners, including their exploits on the turf and their triumphs and failures in arenas far removed from horse racing. *The Broadview Anthology of British Literature: One-Volume Compact Edition* Joseph Black, Leonard Conolly, Kate Flint, Isobel Grundy, Roy Liuzza, Jerome McGann, Anne Prescott, Barry Qualls, Claire Waters, 2015-04-20 In all six of its volumes, *The Broadview Anthology of British Literature* presents British literature in a truly distinctive light. Fully grounded in sound literary and historical scholarship, the anthology takes a fresh approach to many canonical authors and includes a wide selection of work by lesser-known writers. The anthology also provides wide-ranging coverage of the worldwide connections of British literature and it pays attention throughout to issues of race, gender, class, and sexual orientation. It includes comprehensive introductions to each period, providing in each case an overview of the historical and cultural as well as the literary background. It features accessible and engaging headnotes for all authors, extensive explanatory annotations, and an unparalleled number of illustrations and contextual materials. Innovative, authoritative, and comprehensive, *The Broadview Anthology of British Literature* has established itself as a leader in the field. The full anthology comprises six bound volumes together with an extensive website component; the latter has been edited, annotated, and designed according to the same high standards as the bound book component of the anthology and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes. For those seeking an even more streamlined anthology than the two-volume Concise Edition, *The Broadview Anthology of British Literature* is now available in a compact single-volume version. The edition features the same high quality of introductions, annotations, contextual materials, and illustrations found in the full anthology and it complements an ample offering of canonical works with a vibrant selection of less canonical pieces. The compact single-volume edition also includes a substantial website component providing for much greater flexibility. An increasing number of works from the full six-volume anthology or from its website component are also being made available in stand-alone *Broadview Anthology of British Literature* editions that can be bundled with the anthology. **The Herald of Asia**, 1918 **Imperial Germany's "Iron Regiment" of the First World War** John K. Rieth, 2017-10-14 Imperial Germany's Iron Regiment of the First World War offers a rare English language account of a premier German infantry unit. Renowned as the Iron Regiment for its fighting record in the legendary 1916 Battle of the Somme, its service spanned from WWI's earliest battles through its destruction by US Marines in the Argonne Forest in the war's final days. Inspired by a wartime journal written by the author's grandfather,

an IR 169 veteran much of the book is drawn from rare soldier accounts many published here for the first time in English The voice of these soldiers take us into the other side of the trenches and through the unimaginable horrors of the First World War This second edition adds over 100 pages of text maps and pictures to the original publication An excellent writing looking at WW 1 from a German soldier s perspective I highly recommend it to everyone interested in learning more about the Great War Gerald York Colonel Ret US Army Grandson of Sergeant Alvin York famed US Army WW I Medal of Honor Recipient This book stands head and shoulders above previously published unit histories and should not be ignored for its substantial value in providing the whole picture of many of the war s landmark battles Roads to the Great War War histories of German regiments during either the First or Second World War are comparatively rare and this book is a welcome addition Britain at War Magazine A complete lifecycle account of a German regiment for the duration of the First World War and so a rare contribution to those wishing to see the war from the German perspective Great War Society The author John K Rieth is a retired US Army Lieutenant Colonel with a lifelong interest in military history He is the author of Patton s Forward Observers The History of the 7th Field Artillery Battalion and is a member of the US Army Historical Foundation and the Western Front Association
