The Complete Guide to Potty Training Children Melanie Williamson, 2012 This book details the sure fire ways to potty train both girls and boys, and these are separated into distinct sections detailing what makes them different in order to bring you the greatest amount of success. There are also sections dedicated to potty training multiple children at the same time. You will learn what to do if your child wets the bed at night and why so he or she does not backtrack in the training process. This will ensure that your son or daughter is part of the 90 percent of children who are free of wet spots by age 6. This book discusses other common potty training problems and ways to avoid these mishaps before you get started. You will even learn the best clothes your child should wear to keep messes at a minimum. Page 4 of cover.
