Unveiled Lies Unleashed Truths:

Unveiled Lies, Unleashed Truths Shannon Stanton, William Peters, 2014-11-16 Preface Within the pages of this book you will find that I am a recovering addict a practicing liar and a lonesome loser So now what I m sitting here wrestling with writing this book about my life not because I don t have the words but because I want it to be my truth I have learned or have been taught that honesty is not always the best policy See I don t know where you come from but I come from a whole generation of alcoholics and addicts that bred on dishonesty euphoria secrets and oblivion I was the 3rd of 4 children an older sister and brother and a younger brother My mother was always on the move but she loved us with all she had I was raised by alcoholic grandparents molested by a neighbor and cousin and raped on several occasions My childhood had all the makings of a tear jerking heart felt award winning movie but that s not what this book is really about See I believe that we all have had our crosses to bear and have walked through various types of pain that this life often brings to us Some more than others I have come to the point in my life where I m tired of being a victim to all of that Being a victim has allowed me to justify some of the most ridiculous unacceptable and dangerous behaviors that I have ever participated in Now that I have developed a small amount of maturity and acceptance the illusion of placing blame and being the victim of circumstance has been shattered I now know that I was a willing participant in some if not all of the unhealthy decisions I ve made My thing is I have such a distorted perception of reality and myself I have put unrealistic expectations on others and my attitude has been YOU OWE ME I expected others to supply not only my financial responsibilities but also my emotional security This attitude has gotten me one thing ALONE My truth is that I have been lied to for so long I started believing the lies I turned into a liar myself and I lived a lie But most of all I deceived myself My truth is I don t think that I can be loved Not in the way that I should be loved because I myself don t have the capacity to love I never learned what love really is I believed and believe that it s through another person that I could fulfill what could not be filled because my vessel is broken That vessel is my heart My truth is that as long as I look for completion through another person I will continue to be broken The way I chose to ruin my life is the way I choose to draw my strength In my childhood years a number of unspeakable thing happened to me that were beyond my control In my teenage years I was exposed to peer pressure and chose the pressure over the peer In early adulthood I made decisions based on the past that permanently altered my life I also became an addict It was all fun and games at first but little did I know of the great tragedy that would follow As far as I was concerned I was going to get what I wanted by any means necessary no matter who I hurt in the process But most of all I hurt myself Lies The ones I was taught The ones I tell myself The ones I choose to believe They have all dictated my life in a way that is hard to explain In most situations I will honor the lie until I am in a position to where I have to tell the truth at least part of it We all know that part of the truth is a whole lie All the lies in my life stem from one big lie NOBODY LOVES ME This is not a book about placing blame It s about me owning my past and being responsible for the catastrophe that I created It s about getting honest
