Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the

House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Bulwer's Novels: The last days of Pompeii Edward Bulwer Lytton Baron Lytton,1891 [Jesus and Divine Christology](#) Brant Pitre,2024-08-15 Did Jesus see himself as divine Since the beginning of the quest for the historical Jesus scholars have dismissed the idea that Jesus could have identified himself as God Such high Christology is frequently depicted as an invention of the councils of Nicaea and Chalcedon centuries later Yet recent research has shown that the earliest Jewish followers of Jesus already regarded him as divine Brant Pitre tackles this paradox in his bold new monograph Pitre

challenges this widespread assumption and makes a robust case that Jesus did consider himself divine Carefully explicating the Gospels in the context of Second Temple Judaism Pitre shows how Jesus used riddles questions and scriptural allusions to reveal the apocalyptic secret of his divinity Moreover Pitre explains how Jesus acts as if he is divine in both the Synoptics and the Gospel of John Carefully weighing the historical evidence Pitre argues that the origins of early high Christology can be traced to the historical Jesus s words and actions Jesus and Divine Christology sheds light on long neglected yet key evidence that the historical Jesus saw himself as divine Scholars and students of the New Testament and anyone curious about the Jewish context of early Christianity will find Pitre s argument a necessary and provocative corrective to a critically underexamined topic
