Department of Science and Art, 1885 [Setting the Spiritual Clock](#) Paul Louis Metzger, 2020-11-15 Various Christian traditions mark their calendars to reflect the biblical and ecclesial narrative and enhance public worship Such efforts safeguard against secularization s

encroachment in the church's life. *Setting the Spiritual Clock* serves as a guide and traveling companion for the liturgical year which circles the glorious Son as he breaks through the secular eclipse. **Methodist Morals** Darryl W.

Stephens, 2024-01-12 *Methodist Morals* offers keen insight into the public church interpreting the United Methodist Social Principles as a dynamic discourse about morality and human rights in light of faith. Revised every four years by the General Conference of the United Methodist Church, the Social Principles exposes the moral deliberations of this distinctly American and increasingly worldwide church as it struggles to achieve community across multiple languages and cultures. Perhaps no other document provides as rich a depiction of Protestants participating in the moral argument of public life. This is the first full-length study of Methodist social teachings in over fifty years. Examining official Methodist teachings from institutional, historical, and cross-cultural perspectives, Darryl Stephens provides a rich analysis of this case study of Protestant social witness, drawing on his expertise in church polity, Methodist history, and Christian social ethics. A wide range of comparisons with documents of the United Nations, with moral debate in Germany and Zimbabwe, and with historical Methodist statements of social witness shows the Social Principles to be a unique form of social witness. The issues of war, abortion, human sexuality, and marriage illustrate the messiness of democratic deliberation in an ecclesial context and the evolution of a people ever concerned with the sin of worldliness even as they become more attuned to transforming social structures. Stephens also contrasts this conception of the public church with the ecclesiologies of prominent Methodist ethicists Stanley Hauerwas and Paul Ramsey. Intended for students of Methodism, ecumenical church leaders, and scholars of Christian social ethics and contemporary US mainline religion, this work reveals the challenges to and possibilities for achieving moral community in an increasingly global and diverse world. DARRYL W. STEPHENS, director of United Methodist studies at Lancaster Theological Seminary, is former assistant general secretary for advocacy and sexual ethics in the UMC's General Commission on the Status and Role of Women. He is the coeditor of *Professional Sexual Ethics: A Holistic Ministry Approach*. [The State of Church Giving through 2021](#) John Ronsvalle, Sylvia Ronsvalle, 2024-07-23 Church people in the U.S. can make this age of affluence an age of intentional miracles. *The State of Church Giving through 2021: Intentional Miracles*, May 2024, is the 33rd edition in the *empty tomb inc's The State of Church Giving* series. Chapter 8 casts a vision of the potential for church members to impact in Jesus' name: one of the worst tragedies of our time, the number of children under the age of 5 dying from treatable causes, particularly in 40 countries. Other chapters in the new book update numbers for church member giving and membership through 2021, including a series for 1968-2021, a larger group for 2020-2021, a group of 11 denominations for 1921-2021, projections in giving and membership based on past patterns, and the basis for the confidence that there is potential among church members in the U.S. to increase their impact on this hurting world. Another chapter looks at giving patterns among all Americans through an analysis of U.S. Bureau of Labor Statistics Consumer Expenditure Survey data for 2021. Chapter 8 focuses on key points: What is an intentional miracle? How does pursuing intentional miracles prepare for the
