The Dragons Sacrifice English Edition:

The Dragon's Forbidden Sacrifice Ines Johnson,2023-01-24 As a fae she s meant for one of her own kind But when she falls for a dragon she will sacrifice it all to be with her forbidden love Years ago fairy princess Marigold fell in love with a dragon shifter a forbidden affair which resulted in her being disowned and exiled Doomed from the start the budding relationship was shattered when a dragon consumes her true love The beast adds insult to injury by stalking Mari day and night taunting her by watching her with the eyes of her soulmate who she can no longer reach Dragons need female sacrifices to tame their beasts But those females are supposed to be human and not fae Trapped in his animal form after falling for a fairy dragon shifter Rhyol struggles daily with his beast to set him free to return to the fairy he loves When trouble at home brings an unexpected invite for Mari to return to her people and her land she s finally ready to give up on any chance of Rhyol breaking free of his dragon But when he learns of her decision Rhyol will move between heaven and earth crossing the veil between worlds to take back his life and the fairy he loves If you love alpha male shifters fated mates and steamy romance with a touch of 80 s nostalgia then you don t want to miss The Last Dragons series

The Dragon's Reluctant Sacrifice Ines Johnson,2020-08-30 Diagnosed with an incurable disease she thought her life was over When she is sacrificed to a dragon she learns it has only just begun The day Chrysanthemum Jones goes to exact revenge on the man responsible for her sister s death is the day she knows will be her last Instead she finds herself stolen away to another dimension and sacrificed to a real live dragon Rather than a cave full of gold this dragon s lair is a throwback to the 1980 s complete with pixelated video games unwound VHS tapes and animal print spandex And the mythical creature in question is totally more sex on a stick than Smaug Schweet As one of the last dragon shifters beyond the Veil Corun is desperate to control the beast inside of him The only thing guaranteed to keep the dragon under control is the surrender of a human female But sacrificial offerings have been in short supply since his realm was cut off from Earth something or other about women s liberation So when a sacrifice turns up on his doorstep Corun should be elated But as totally tubular as Chryssie s curves are her health is fragile and he fears she wouldn t survive the claiming that would soothe his beast Death has never bothered Chryssie With an incurable hereditary disease she s been prepared to die her whole life Now she has a chance to lose her V card and birth dragon babies before she goes Talk about bad ass exits Count her in She just needs to get her sexy dragon shifter on board and in bed As Corun becomes more attached to his sassy little human his beast roars that Chryssie is his and pushes to claim her If he doesn t claim her and soothe the beast inside of him he will become stuck in dragon form for the rest of his life However if he does claim her the birth of his offspring could be the last day of her life If you love alpha male shifters fated mates and steamy romance with a touch of 80 s nostalgia then you don t want to miss The Last Dragons series

The Dragon's Ambivalent Sacrifice Ines Johnson,2020-08-30 After years of abuse she believed she was worth nothing But when she is sacrificed to a dragon she becomes his treasure Born of violence Beryl is the biggest and brawniest

of his dragon shifter brothers His beast loves a good fight and has been nicknamed The Hulk after his heroes Incredible and Hogan When his last fight gets out of control and his dragon nearly kills another shifter he knows the only thing that will wrangle the beast is a female sacrifice However when the human he s destined to mate with arrives she s small and meek and cringes from his touch With a prostitute as a mother and a pimp as a boyfriend Poppy is all too familiar with the violent tendencies of the opposite sex The unsightly spots on her skin make her unsuitable for work on the streets Her lack of skills in the kitchen disqualify her as a domestic goddess So when she is sacrificed to a fire breathing dragon she s certain it s as a late night snack Though the hulking man s gentle touch awakens a desire she s never felt before his brutish ways aggravate the wounds she keeps hidden Beryl realizes he can t continue to brawl and earn his timid mate s trust He s willing to be patient but with each day she isn t claimed his beast gets worse and other shifters become more of a threat To accept Beryl s claim Poppy will need to overcome her past and learn to love herself something she s not sure she could ever do even for the gentle giant she s falling for If you love alpha male shifters fated mates and steamy romance with a touch of 80 s nostalgia then you don t want to miss The Last Dragons series

Researches Into Chinese Superstitions Henri Doré,1918 **The Dragon's Willing Sacrifice** Ines Johnson,2020-08-30 Sacrificed to a dragon as a teen she was coddled for years But when her dragon shifter fails to notice she s all grown up and willing she may just have to claim him herself Since she was dropped on his doorstep Cardi has had the hots for Kimber Despite prancing around him in her off the shoulder shirts that showcase her bare midriff and her assortment of tight skorts that showcase her shapely thighs he doesn t take much notice of her Kimber may have marked her as his but he has yet to claim her by bopping her brains out Cardi s done waiting Now she s sure it s time to resort to drastic measures Kimber has his hands full with the upcoming Accords which aims to bring shifters to a peaceful agreement to get the Valkyrie to lift the ban of sacrifices coming into the Veil The trouble is his own sacrifice continues to act like a child and demand his attention at every turn When grounding Cardi doesn t work she drops a bombshell by dumping Kimber It seems like a perfect solution as the peace and quiet settles in but then Kimber comes to understand that being dumped means she s going to date other shifters Their break up puts the Accords in jeopardy when Kimber has to abide by the new rules rules that say a sacrifice makes her own choice of mate With Cardi now a free agent Kimber isn t so sure she ll choose him in the end If he can t win her back and he resorts to ripping out the throats of the shifters sniffing around her the fragile peace he s cobbled together will turn to chaos If you love alpha male shifters fated mates and steamy romance with a touch of 80 s nostalgia then you don t want to miss The Last Dragons series
