Louise Foxcroft

The Full Treatment Taboo Medical Erotica English Edition:

Masculinity and Queer Desire in Spanish Enlightenment Literature Mehl Allan Penrose, 2016-05-06 In *Masculinity and Queer Desire in Spanish Enlightenment Literature* Mehl Allan Penrose examines three distinct male figures each of which was represented as the Other in eighteenth and early nineteenth century Spanish literature. The most common configuration of non normative men was the petimetre, an effeminate Francophile male who figured a failed masculinity, a dubious sexuality and an invasive French cultural presence. Also inscribed within cultural discourse were the bujarr n or sodomite who participates in sexual relations with men and the Arcadian shepherd who expresses his desire for other males and who takes on agency as the voice of homoerotica. Analyzing journalistic essays, poetry and drama, Penrose shows that Spanish authors employed queer images of men to engage debates about how males should appear, speak and behave and whom they should love in order to be considered real Spaniards. Penrose interrogates works by a wide range of writers including Luis Ca uelo Ram n de la Cruz and F lix Mar a de Samaniego, arguing that the tropes created by these authors solidified the gender and sexual binary and defined and described what a queer man was in the Spanish collective imaginary. *Masculinity and Queer Desire* engages with current cultural, historical and theoretical scholarship to propose the notion that the idea of queerness in gender and sexuality based on identifiable criteria started in Spain long before the medical concept of the homosexual was created around 1870.

Bareback Porn, Porous Masculinities, Queer Futures Jo ̃ao Flor ̃encio, 2020-08-16 This book analyses contemporary gay pig masculinities which have emerged alongside antiretroviral therapies, online porn and new sexualised patterns of recreational drug use, examining how they trouble modern European understandings of the male body, their ethics and their political underpinnings. This is the first book to reflect on an increasingly visible new form of sexualised gay masculinity and the first monograph to move debates on condomless sex amongst gay men beyond discourses of HIV and or AIDS. It contributes to existing critical histories of sexuality, pornography and other sex media at a crucial juncture in the history of gay male sex cultures and the HIV epidemic. The book draws from fieldwork, interviews, archival research, visual analysis, philosophy, queer theory and cultural studies, using empirical, critical and speculative methodologies to better think gay pig masculinities across their material, affective, ethical and political dimensions in a future oriented, politically inflected reflection on what queer bodies may become. Spanning historical context to empirical and theoretical study, *Bareback Porn, Porous Masculinities, Queer Futures* will be of key interest to academics and students in sexuality studies, film, media, visual culture, cultural studies and porn studies concerned with masculinities, sex and sexualities and their circulation across an array of media.

Sociology of Sexualities Kathleen J. Fitzgerald, Kandice L. Grossman, 2020-07-16 *Sociology of Sexualities* is regarded as the most comprehensive text to approach the study of sexuality from a sociological perspective. Drawing on the most up to date social scientific research on sexuality, it discusses fundamental concepts in the field and helps students integrate knowledge about sexuality into their larger understanding of society.

Exploring Intimacy Suzann Panel

Robins,2023-06-14 Building off the idea that when we are happier we tend to be healthier Robins explains the phenomenon of how our intuitive knowing fosters healthy relationships that contribute to our physical mental and emotional health Readers learn to utilize a variety of pathways that will change their responses to others and will produce lasting more rewarding and closer relationships in all areas of their lives This book is designed to aid readers in looking inward and experiencing how their intuitive sixth sense informs their ability to be intimate without the negative triggers of past experiences Through a considered and thoughtful approach Robins offers insight into cultivating a truly integrated self so that one may lead a more fulfilling and healthful life *Handbook of Psychology, Clinical Psychology* Irving B. Weiner,George Stricker,Thomas A.

Widiger,2012-10-16 Psychology is of interest to academics from many fields as well as to the thousands of academic and clinical psychologists and general public who can't help but be interested in learning more about why humans think and behave as they do This award winning twelve volume reference covers every aspect of the ever fascinating discipline of psychology and represents the most current knowledge in the field This ten year revision now covers discoveries based in neuroscience clinical psychology's new interest in evidence based practice and mindfulness and new findings in social developmental and forensic psychology *Handbook of Human Sexuality* Benjamin B. Wolman,1993 Presents a survey of what is known about sexual disorders and their treatment It covers all the therapeutic approaches to sexual dysfunction psychoanalytic behavioural Masters and Johnson's Helen Kaplan's and the holistic **Eros and Illness** David B.

Morris,2017-02-27 When we or our loved ones fall ill our world is thrown into disarray our routines are interrupted our beliefs shaken David Morris offers an unconventional deeply human exploration of what it means to live with and live through disease He shows how desire emotions dreams stories romance even eroticism plays a crucial part in illness **Hot**

Flushes, Cold Science Louise Foxcroft,2011-11-03 For over two thousand years attitudes to the menopause have created dread shame and confusion This meticulously researched and always entertaining book traces the history of the change of life from its appearance in classical texts via the medical literature of the eighteenth century to up to the minute contemporary clinical approaches Its progression from natural phenomenon to full blown pathological condition from the 1700s led to bizarre treatments and often dangerous surgery and formalized a misogyny which lingers in the treatment of menopausal women today Louise Foxcroft delves into the archives the boudoir and the Gladstone bag to reveal the elements that formed the menopause myth chauvinism collusion trial error and secrecy She challenges us to rethink absurd assumptions that have persisted through history that sex stops at the menopause or that ageing should be feared It redresses the myths and captures the truths about menopause *What You Need to Know About Human Sex* Dr Graham

Clingbine,2016-08-15 What You Need To Know About Human Sex reveals a great diversity of human sexual activities Dr Graham Clingbine's enlightening new book is intended to be informative educative and in some parts entertaining Many aspects of human sexuality are still taboo and not spoken about even in so called modern society Such areas are reviewed

and discussed openly without the inclusion of the author's personal opinion. Readers are challenged throughout the book to consider their own views relating to sex in their own and other cultures, identify any personal prejudicial thoughts about the sexual proclivities of others and to question their own sexual behaviour. Having identified the scope of human sexual activity, *What You Need To Know About Human Sex* covers controversial areas including sexual identity, sexual orientation and the influences of cultural tradition, religious dogma and ethical views on human sexual behaviour, including the degree of acceptability of practices such as female genital mutilation. The legal constraints on sexual activity in different cultures are looked at along with how legislation varies in different countries. Other areas covered are health and safety, including contraception, sex education, how the body functions during sex and sexual dysfunctions. The changing role and availability of pornography in society is also reviewed. *What You Need To Know About Human Sex* is an informative and essential read in a society that still ignores a lot of unusual but by no means unnatural proclivities. Graham Clingbine disrobes many myths and sheds much needed light on many aspects of sex, encouraging our growing acceptance of different sexual identities and providing information useful to people from all backgrounds. The information will benefit people of all ages, especially young adults forming their views of the world and our diverse culture. Health organisations and educational establishments will also find this book a useful tool to use with patients and students.

In Therapy We Trust Eva S. Moskowitz, 2001-04-24 This fascinating historical study of how America's obsession with self-fulfillment permeates all aspects of society includes a look at the history of Americans' fascination with therapy. 39 halftones and 1 line drawing. [A Commentary on Ovid, Remedia Amoris](#) Victoria Rimell, 2024 A detailed philological and interpretative reading of Ovid's most neglected poem, the *Remedia Amoris*. In her immersive, creatively interpretative guide to the poem, Victoria Rimell's commentary resets critical perspectives by reading the *Remedia* as distinctive and original and as a pivotal text within Ovid's oeuvre.

Routledge International Encyclopedia of Queer Culture David A. Gerstner, 2006-03-01 The Routledge International Encyclopedia of Queer Culture covers gay, lesbian, bisexual, transgender and queer GLBTQ life and culture post 1945 with a strong international approach to the subject. The scope of the work is extremely comprehensive, with entries falling into the broad categories of Dance, Education, Film, Health, Homophobia, the Internet.

Medical Press, 1959

Preventing Boundary Violations in Clinical Practice Thomas G. Gutheil, Archie Brodsky, 2011-11-30 What do you do when you run into a patient in a public place? How do you respond when a patient suddenly hugs you at the end of a session? Do you accept a gift that a patient brings to make up for causing you some inconvenience? Questions like these, which virtually all clinicians face at one time or another, have serious clinical, ethical and legal implications. This authoritative practical book uses compelling case vignettes to show how a wide range of boundary questions arise and can be responsibly resolved as part of the process of therapy. Coverage includes role reversal, gifts, self-disclosure, out-of-office encounters, physical contact and sexual misconduct. Strategies for preventing boundary violations and managing associated legal risks are highlighted.

The Balkans and the Near East Karl Kaser, 2011

The Balkans and the Near East share millennia of a joint history which stretches from the settling of man to the 20th century. The task split between the various scholarly disciplines into the fields of Balkan studies and Near Middle East studies has resulted in dividing a shared history into various sub histories. This book reunites these isolated histories opening up completely new historical perspectives. Series Studies on South East Europe Vol 12 Gender-Affirming Psychiatric Care
Teddy G. Goetz, M.D., M.S., Alex S. Keuroghlian, M.D., 2023-11-08 Gender Affirming Psychiatric Care is dedicated to providing affirming intersectional and evidence informed psychiatric care for transgender non binary and or gender expansive TNG people.
