*Events and Sustainability* Andrew Smith, Judith Mair, 2022-09-05 This book examines the links between events and sustainability with a particular focus on how festivals and events contribute to making places more inclusive resilient and sustainable Previous sustainability research in events often focused on reducing the negative environmental impacts with a corresponding lack of consideration of socio economic dimensions More recently research has begun to consider events in relation to a range of economic and social issues highlighting the growing importance of examining events through a critical lens This book adopts a critical and broader approach to event sustainability arguing that scholars should examine how events might contribute to sustainable development rather than merely exploring how individual events could be made more sustainable Accordingly the contributors to this edited book address how events might change attitudes and behaviours by promoting sustainable lifestyles communities and technologies Following a detailed introduction the book features 16 chapters written by scholars from across the world The chapters in this book were originally published as a special issue of the *Journal of Sustainable Tourism* DK Eyewitness Travel Guide: Ireland Audrey Ryan, Cian Hallinan, 2012-03-01 DK Eyewitness Ireland travel guide will lead you straight to the best attractions this diverse country has to offer Packed with photographs illustrations and detailed maps discover Ireland region by region from the bustling capital Dublin to stunning Killarney National Park The guide provides all the insider tips every visitor needs from the island's best fishing spots to the best venues for Irish jazz with comprehensive listings of the best hotels resorts restaurants and nightlife in each region for all budgets You'll find 3D cutaways and floorplans of all the must see sites plus street by street maps of all the fascinating cities and towns of Ireland DK Eyewitness Ireland explores the country's celtic heritage historical folklore castles and churches focussing on the best scenic routes and Ireland's incredible landscapes With up to date information on getting around by train car or ferry and all the sights listed town by town DK Eyewitness Ireland is indispensable Don't miss a thing on your holiday with the DK Eyewitness Ireland DK Eyewitness Travel Guide: Ireland Cian Hallinan, 2006-04-01 A highly illustrated guide to Ireland in the award winning DK Eyewitness Travel series **DK Eyewitness Travel Guide Ireland** DK, 2015-10-06 DK Eyewitness Travel Guide Ireland is your in depth guide to the very best of Ireland From touring historic castles to exploring the countryside along the mystical Ring of Kerry to drinking Guinness in Dublin's coziest pub experience the best of what the Emerald Isle has to offer Discover DK Eyewitness Travel Guide Ireland Detailed itineraries and don't miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights Detailed city map of Dublin includes street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Hotel and restaurant listings highlight DK Choice special recommendations With hundreds of full color photographs hand drawn illustrations and custom
