Robinson,2021-01-05 No Such Thing as Justice is an epistolary novel about a woman who is up against the system Through a series of diary entries we follow Betty Benson's life story one that includes her relationships and all the trouble they deliver to her In no time Betty is mom to two little kids holding down as much work as she can while her son's father neglects his parental responsibilities She chases him but he ducks and weaves exploiting systemic loopholes that condone the derelict's behaviour and ignore the victim's plight Betty needs to secure custody of her child against a man who's proven himself a risk but she can't afford the fight in a judicial infrastructure that equates justice with the ability to pay for it Here is a universal story that plays out inside an all too familiar arena where money trumps all No Such Thing as Justice showcases effort and disappointment betrayal and despair and most of all a story of motherly love The Riddle Exposed: William Stokes,2021-03 In 1973 the firebombing of the Whiskey Au Go Go nightclub grabbed the headlines in Brisbane unlike any other disaster beforehand 15 people were killed amid the inferno the worst mass murder ever in Australia Rumours were rife Detectives were forewarned but was the firebombing part of an implausible notion to embark on an extortion racket Or was it a scheme for insurance purposes Perhaps it was the act of a disgruntled customer a former employee or someone owed money Politicians from all sides of Parliament demanded quick answers Unbeknown to but a few early in the morning after the fire Billy McCulkin was the first person interviewed by detectives while his wife and young daughters fled from their Highgate Hill house and they only returned to their house after the arrests of John Stuart and Jim Finch Later Mrs McCulkin confided to her co worker as well as a neighbour and her brother that she feared for her safety because she knew her husband and his associates were involved in both the Torino and Whiskey Au Go Go nightclub fires During the months of anxiety for Mrs McCulkin the courtroom appearances of Stuart and Finch heard repeated outbursts from them asserting that detectives had concocted a false verbal confession The subsequent wire swallowing protests by Stuart and Finch were extraordinary Finch even whacked off a piece of his finger but the self mutilating efforts from both achieved nothing The trial being the longest and costliest staged in Queensland proceeded without Stuart or any legal representative for him while he lay handcuffed to a hospital bed a first for any Australian court when a life imprisonment term is mandatory Not long after the Whiskey murder trial and the fifth reported wire swallowing protest from Stuart Mrs Barbara McCulkin and her two

daughters disappeared murdered by Vince O Dempsey and Gary Dubois though they were not then brought to stand trial because the case was far too riddled with the standard 1970s police corruption Interwoven around the Waterside Workers Union journal Port News as its publisher William Stokes account of his acquaintanceship with everyone concerned including the bizarre Clockwork Orange gang and a nympho wife who believed she was demoniacally possessed leads to a harrowing tale Expect the unexpected **Medium Rare (The Profane Series #1)** Lia Cooper,2016-05-07 A good cop a good son a loyal partner none of this was enough to save Lachlan Graham s nerves when his entire world fell apart three years ago A former Seattle Police Officer Lachlan has spent the time since he left the force trying to piece his life together after being abandoned by his partner Detective Vector Clanahan But with a dead neighbor downstairs his carefully constructed solitude is soon to be invaded on all fronts Meanwhile Vector Clanahan s about to return to his old stomping grounds as the West Coast serial killer he s been tracking leads him right to his ex partner s front door A sister series to The BLOOD BONE Series
