investigate the case and despite efforts to deter the curious some visitors got entrance because of their rank or status During this time the poet and romanticist Clemens Brentano made his first visit Emmerich claimed that as a child she had visions in which she spoke with Jesus saw people in purgatory and saw the core of the Holy Trinity in the form of three concentric interpenetrating complete spheres The largest but dimmest sphere symbolized the Father core the medium was the Son s core and the smallest and brightest was the Holy Spirit s core Each sphere of the omnipresent God extends to infinity beyond heaven s core According to the Brentano compilation a child believed to be Jesus visited Emmerich during her childhood illness and taught her about plants she should take to heal including Morning Glory flower juice which contains ergine

The Dolorous Passion of Our Lord Jesus Christ Anna Katarina Emmerick, 2023-04-26 Blessed Anne Catherine Emmerich 1774 1824 was a German mystic and stigmatist known for her visions of the life of Christ the Blessed Virgin Mary and various saints In the Dolorous Passion of Our Lord Jesus Christ Emmerich s extraordinary gift of divine insight as transcribed by her confessor enables us to witness the last days of Jesus Christ s earthly life from the Garden of Gethsemane to His crucifixion and burial The book features an updated biographical foreward about Blessed Anne Catherine Emmerich

The Dolorous Passion of Our Lord Jesus Christ Anne Emmerich, 2014-09-02 Whoever reads the life of Anne Catherine Emmerich and her book will be satisfied that no fault can be found in any of these respects either with herself or with her revelations Her book resembles in many points the writings of a great number of saints and her life also bears the most striking similitude to theirs To be convinced of this fact we need but study the writings or what is related of Saints Francis of Assisi Bernard Bridget Hildegard Catherine of Genoa Catherine of Sienna Ignatius John of the Cross Teresa and an immense number of other holy persons who are less known So much being conceded it is clear that in considering Sister Emmerich to have been inspired by God s Holy Spirit we are not ascribing more merit to her book than is allowed by the Church to all those of the same class They are all edifying and may serve to promote piety which is their sole object We must not exaggerate their importance by holding as an absolute fact that they proceed from divine inspiration a favour so great that its existence in any particular case should not be credited save with the utmost circumspection With regard however to our present publication it may be urged that considering the superior talents of the transcriber of Sister Emmerich s narrations the language and expressions which he has made use of may not always have been identical with those which she employed We have no hesitation whatever in allowing the force of this argument Most fully do we believe in the entire sincerity of M Clement Brentano because we both know and love him and besides his exemplary piety and the retired life which he leads secluded from a world in which it would depend but on himself to hold the highest place are guarantees amply sufficient to satisfy any impartial mind of his sincerity A poem such as he might publish if he only pleased would cause him to be ranked at once among the most eminent of the German poets whereas the office which he has taken upon himself of secretary to a poor visionary has brought him nothing but contemptuous raillery Nevertheless we have no intention to assert that in giving

the conversations and discourses of Sister Emmerich that order and coherency in which they were greatly wanting and writing them down in his own way he may not unwittingly have arranged explained and embellished them But this would not have the effect of destroying the originality of the recital or impugning either the sincerity of the nun or that of the writer About half way through an interesting fact about the relationship between Jesus Mary and his Apostles is set forth It is put forward that Jesus is cousin to three of His Apostles The Dolorous Passion of Jesus Christ Anna Katharina Emmerich,2009
