The Dragon Unknown Part I Hidden Magic:

The Dragon Unknown - Kenneth Kappelmann, 2014-12-02 Geoff stared over the harbor. He watched as nearly 20 ships fought for their lives against eight young dragons, all using their sheets of fire and magic to completely belittle the small vessels. Then his eyes turned to the northern skies, the darkened bodies of hundreds of dragons nearly eclipsing the clear blue normally seen across the water. The hovering beasts were all unleashing immeasurable power against the barrier around the city. The brilliant light emitting from the attack was almost blinding as the barrier somehow was holding. The large maneth bowed his head. I remember the past. I remember five dragons leveling my village and all the forests around it. I remember the pain and suffering those five alone brought with them. But this, how can we? For years the companions have fought for their world. They have faced every danger imaginable. Much death has fallen in their wake, but now Schram, Starland, and his friends have come full circle. The magic held within Schram has finally begun to mature. His friends too have begun to understand that power which their weapons possess. Their trek is at its apex. Each has chosen a path and follow it they must. The young dragons are here. Slayne is prepared. The war has begun, and there is no turning back. The Hidden Magic will either save them or lead their world to death and destruction.

The Dragon Unknown - Kenneth Kappelmann, 2014-12-02 Schram, the leader of their misfit band of companions, thrown together by fate, gathered his troops into a small semicircle as he quietly spoke. I know it does not seem likely as you look across this glade that our mission has any chance of success. However, remember that the elves and dwarves have nearly twice that number ready to support us at our signal. He paused while he prayed in his mind that this really was the case and the dwarves and elves were actually at the ready. Furthermore, I will make it appear with a display to make the gods proud that we are in much greater numbers than we actually are. But once again, I am not a fool or a leader to force anyone to their death. The chance of success is not great, and if you would rather retreat to Elvinott, then I will harbor no bad feelings and apologize for not being able to accompany you in your return. Fate had brought this group together now. Schram must drive fate to the only solution for their world. Slayne must die and destroy the dragon offensive with him. With Stepha, Jermys, Kirtie, and Fehr, they must free Maldor and all learn the magic stored deep within themselves and the weapons they wield to save their world and realize the Hidden Magic.
