## **The Elephant Talks To God:**

**The Elephant Talks to God**, 2010 The Elephant Talks to God is an endearing collection of whimsical tales in which a young elephant forages for answers to that age old existential puzzle What is the meaning of life In this new edition of Dale Estey s best selling book this pachyderm philosopher asks questions and God answers sometimes cryptically sometimes humorously but always with love and patience The answers unfold in a series of conversations between this humble though occasionally impertinent beast and the Almighty The free ranging exchanges between the two include contributions from popes missionaries and various monkeys birds and insects This sweet sometimes satirical and occasionally moving story will appeal to readers of all ages The book includes most of the original stories from the popular 1989 collection as well as many new ones Original fresh and unsentimental The Elephant Talks to God belongs on the bookshelves of anyone who just like the inquisitive elephant has ever wondered about life love and the true nature of happiness **The Elephant Talks to God**

Dale Estey, 2006 In these times of increasing confusion wouldn t we all like to ask God the really tough questions What is love What is faith Why do bad things happen In Dale Estey s whimsical tales an impetuous elephant does just that And God answers him The answers aren t always what the young elephant wants or expects to hear though Sometimes God is cryptic sometimes impatient but He is always loving and always sympathetic to the elephant s curiosity This tongue in cheek primer on theology and religion is suitable for both adults and children and while its milieu is Christian it is inclusive of all faith traditions Original and fresh The Elephant Talks to God belongs in the company of classics like The Gospel According to Peanuts **Talking about God** Mr Roger M White, 2013-06-28 A fundamental question for theology is the question how we

are to understand the claims that we make about God The only language we can understand is the language we use to talk about human beings and their environment How can we use that language to talk about God while respecting the infinite difference between God and humanity The traditional answer has been to appeal to the concept of analogy However that appeal has been interpreted in widely different ways This book aims to clarify the question and this answer by an analysis of the concept It begins with an exploration of the way the concept was evolved by Aristotle out of Greek mathematics as a technique for comparing things that were remote followed by a critical examination of three very different classical accounts of the way religious language works those of Thomas Aquinas Immanuel Kant and Karl Barth The book finally investigates the way in which analogy could be applied to answer the question initially posed how is it possible to use human language to talk about God This is a question of fundamental significance for the whole of religion and theology concerning as it does our whole understanding of what we mean when we talk about God The Elephant God Gordon Casserly, 2023-08-12 In The Elephant God Gordon Casserly crafts a captivating narrative steeped in adventure and the exotic allure of colonial India Through the lens of a personal quest the novel explores themes of loyalty spirituality and the conflict between traditional values and Western influences Casserly s vivid descriptive prose immerses readers in the lush landscapes and vibrant

cultures of pre independence India while his keen insights into human psychology unveil the struggles faced by his characters navigating this rich yet tumultuous world The brilliant intertwining of mystery and morality is accentuated by Casserly s historical backdrop which enhances the novel s depth and resonance Gordon Casserly a British soldier and an early 20th century author drew inspiration from his experiences in the Indian subcontinent where he served during Britain s colonial rule His firsthand encounters with the myriad traditions and complexities of Indian society deeply informed his works allowing him to convey authentic and nuanced portrayals of both the land and its people Casserly s literary voice strikes a balance between adventure and introspection resulting in a compelling narrative that reflects his own journey of discovery and understanding For readers seeking an enthralling exploration of the tension between faith and doubt within a richly historical context The Elephant God is a must read Casserly s masterful storytelling invites you to embark on a captivating journey making it an invaluable addition to the library of anyone interested in colonial narratives or the cultural tapestry of India

**Elephant Talk** Ann Downer,2017-01-01 Audisee eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience On a hot day in the African savannah a group of elephants searches for food While foraging they often lose sight of one another Yet at the end of the day in one coordinated movement the elephants suddenly regroup This coordinated movement and others like it has puzzled scientists and caused them to question how elephants communicate with each other Since the 1990s scientists have gathered significant data on elephant talk Biologists have determined that elephants use a complex system of communication of at least ten distinct sounds combined in many variations Researchers are now asking what do these sounds mean As scientists study the elephant sounds that humans can hear they are also identifying ways elephants communicate through nonverbal behaviors and making sounds too low for human ears Scientists have realized that elephants even receive messages by using their sensitive feet to feel vibrations in the ground All of these discoveries are helping elephant researchers better understand elephant behavior But the elephant s time as a wild animal is running out Threatened by habitat loss and illegally hunted for their ivory tusks elephants are on the brink of extinction Will understanding elephant talk be the key to saving the species The Elephant God Gordon Casserly,1921

**Talking with God** Paul E. Johnson,2025-07-29 Talking with God examines the neuroscience of belief and belief change related to prayer It puts forward a model based on neuroscience and theology to understand how God speaks to us individually and inspires us through the human capacities for language and imagination Offering a fresh integrated perspective for those who struggle with the dissonance between their experience in the physical world and a healing spiritual life this work navigates a path to reconcile religious spirituality with science It also sheds light on an integrated view of science and religious belief accepting the physicality of consciousness while allowing for spirituality in the form of divine inspiration Talking with God is an original academic contribution to the field of science and religion and an indispensable read for researchers and readers interested in the concept of belief and belief change from a neuroscientific

perspective      **The Elephant's Trunk** Ben Norton,2023-09-08 Ambassador Thurell is no friend of Indian billionaire Soufka Oman and when the ambassador is killed in a suspicious motor vehicle accident it inadvertently thrusts the Oman clan into direct conflict with his daughter Tyra Thurell Headstrong and ambitious she is not averse to taking huge risks and when the opportunity to find a treasure cherished by the Omans Parsi community arises she pursues it with a vengeance Her sense of loss and anger are confronted when she meets a young American engineer Rex Ediger who questions her ethics and excuses to steal and lie His best friend murdered by mercenaries was the best influence in his life and Rex s attempts to rescue the young woman when she is captured expose his own secrets and grief The Elephant s Trunk is the first of five volumes in the Signpost Series in which Tyra faces insurmountable odds while simultaneously searching for the Signpost and combating a ruthless and evil enemy How will passion to become a CIA field agent force her to decide between moral scruples and her love of country      *The Dog That Talked to God* Jim Kraus,2012-03-01 A wonderfully quirky heart breaking heart warming and thought provoking story of a woman s dog who not only talks to her he talks to God Recently widowed Mary Fassler has no choice except to believe Rufus the miniature schnauzer who claims to speak to the Divine The question is Will Mary follow the dog s advice and leave everything she knows and loves Is this at the urging of God Or is it something else Will Mary risk it all or ignore the urgings of her own heart      **The Elephant's Journey** José Saramago,2010-09-08 The Portuguese Nobel Prize winner s delightful posthumous novel recounts the 16th century travels of an Indian elephant from Lisbon to Vienna The New Yorker In 1551 King Jo o III of Portugal gave Archduke Maximilian an unusual wedding present an elephant named Solomon In The Elephant s Journey Jos Saramago imagines Solomon s epic journey by foot across Europe with his Hindu keeper Subhro along for the adventure Accompanied by the Archduke his new wife and the royal guard these unlikely heroes traverse a continent riven by the Reformation and civil wars They are witnessed by scholars historians and wide eyed ordinary people as they make their way through the storied cities of northern Italy brave the Alps cross the Mediterranean Sea and at last make their way toward their grand entry into the imperial city A tale rich in irony and empathy regularly interrupted by witty reflections on human nature and arch commentary on the powerful who insult human dignity Los Angeles Times      **Thomas Aquinas's Summa Theologiae** Brian Davies,2014 Following a scholarly account of Thomas Aquinas s life Davies explores his purposes in writing the Summa Theologiae and works systematically through each of its three Parts He also relates their contents and Aquinas s teachings to those of other works and other thinkers both theological and philosophical The concluding chapter considers the impact Aquinas s best known work has exerted since its first appearance and why it is still studied today Intended for students and general readers interested in medieval philosophy and theology Davies s study is a solid and reflective introduction both to the Summa Theologiae and to Aquinas in general      **Ambush at Amboseli** Karen Rispin,2014-04-01 Being twelve isn t easy But Anika Scott who has joined her parents as a missionary in Kenya uses her faith and trust in God as guidance to help her through many challenging experiences Join Anika

in her exciting and often dangerous adventures where using God and her own ingenuity she makes discoveries about the truth in the world When Anika discovers a baby elephant in the Amboseli Game Park she tries to find someone to care for the injured animal But what begins as a harmless trip to find help quickly turns dangerous for Anika and her brother Only her faith in the Lord will guide Anika out of the frightening ambush at Amboseli and deliver Anika and her brother safely into their parents arms

Nine Ways God Always Speaks Mark Herringshaw, Jennifer Schuchmann, 2009 Whether Christian or not many people have unusual experiences conditions or encounters that have left them wondering Is God trying to tell me something The truth is God does communicate with us all the time We just need to learn how to hear his voice Using stories and examples from people throughout history and today Herringshaw and Schuchmann show readers how they can better tune in to God s voice everywhere and every day

God speaking in nature; or, Sunday afternoon readings for young people Arthur Herbert Powell, 1886

**God and the Problems of Love** Kelly James Clark, 2023-12-21 Religious believers are often commanded to love like God On classical accounts God seems a poor model for human beings an immutable and impassable being seems incapable of the kind of episodic emotion sympathy empathy that seems required for the best sorts of human love Models more conducive to human love on the other hand are often rejected because they seem to limit God s power and glory This Element looks first at God and then divine love within the Abrahamic traditions Islam Christianity and Judaism It will then turn to love and the problem of hell which is argued as primarily a problem for Christians The author discusses the kind of love each tradition asks of humans and wonders given recent work in the relevant cognitive and social sciences if such love is even humanly possible This title is also available as Open Access on Cambridge Core

Nectar Gaze and Poison Breath Aditya Malik, 2005-02-24 This book offers a detailed study of the oral narrative of Shri Devnarayan along with the first English translation of this popular Rajasthani folk narrative The narrative extolling the deeds of Lord Devnarayan is performed by itinerant singers during all night vigils in front of a 9 meter long elaborately painted cloth scroll that depicts scenes and characters from the story Aditya Malik uses the narrative to explore and ask a range of innovative questions relevant to the study of Indian folk culture and Hinduism as a

whole How is orality conceptualized and practiced What is the relationship between spoken and visual signs How do Devnarayan s devotees create multiple discourses concerning religion community and history within and though the medium of the narrative Malik s analysis suggests that the narrative provides a framework for establishing linkages between different communities past and present spoken word and visual image as well as contending religious ideologies His interpretation is interspersed with excerpts from interviews with devotees and singers other tales and texts and observations from his field research that together invoke the worlds created by the narrative

**God Speaks Through Ordinary Things** Elizabeth Smith,2015-01-27 Many people say they do not hear God speaking It is likely they expect to hear His voice booming in their lives But in truth He often speaks through your thoughts circumstances and other people Sometimes its the subtle everyday things through which one can hear His voice most clearly Through the years God has used ordinary objects to teach author Elizabeth Smith important spiritual lessons and to make His presence known In this devotional God Speaks through Ordinary Things Smith shares some of those ordinary things through which you can hear God speaking An advertisement for the Bible could be the same as Geritols Advertisement Our thought patterns need the same care as Preparing a Garden and a habitual sin is like a Plaster Cast We do not always know why God says no to our prayers but in Closed Doors Lois was very glad God refused her request A Christians life as shown in Demolition can be torn down little by little or in one day the same as a house Take the time to observe and think about the events in your life and you too will discover how God speaks through ordinary things

**Whispers of a Secret God** Jerry Wheeler Ed. D.,Robert Dunn,2004-12 Whispers of a Secret God chronicles a clash of three sub Saharan cultures battling for dominance in a tangle of drought famine and land rights Slavery and dislocation have exacted a heavy toll reshuffling ancient social boundaries and challenging long held religious practices Whereas stereotypical African villages evoke images of savagery brutality and superstition the Fula tribes developed a more peaceful and rule governed Muslim society Honor and courage throbbed in their hearts The saga derives its title from the muddled vestiges of Christianity surviving from somewhere in the tribe s distant identity Although it is not allowed to surface openly this secret knowledge is communicated by the women of the village from generation to generation A chief Muslim cleric who used religion as a tool of power sought to replace the aging king s rule with strict Islamic law The story pulsates with intrigue romance and fierce battles but ends in a time of renewed yet short lived tranquility This saga provides the reader brief glimpses into the world beyond contrasting temporal and spiritual reality

**Creation Speaks** Claudia Vara,2022-03-24 How does an elephant or chameleon relate to your Christian walk How can you learn from a caterpillar the destructive nature of Satan s lies In this interactive devotional you will discover truths about living zealously for Jesus as observed in the parallels of God s creatures From inspiring devotions to practical memorization Creator Speaks Life Lessons from every Beast of the Field Fish of the Sea Fowl of the Air and Creeping Thing upon the Earth will help to push you to be more dedicated and closer to the Savior But ask now the beasts and they shall teach thee and the fowls of the air and they

shall tell thee Or speak to the earth and it shall teach thee and the fishes of the sea shall declare unto thee Job 12 7 8
