MORTIMER

The First Rumpole Omnibus

John Mortimer

The First Rumpole Omnibus:

The First Rumpole Omnibus John Mortimer, 1984-01-03 Who rose to enduring fame on *Blood and Typewriters* told the pregnant Portia of the Chambers it would come out in the end advised Guthrie Featherstone QC to adopt a more judicial attitude returned in the tender gloaming of each evening via Pommeroy's and a glass of Chateau Fleet Street to She Who Must Be Obeyed The answer is Horace Rumpole whose legal triumphs plundering stories into the Oxford Book of English Verse and less than salubrious hat are celebrated here in this first omnibus edition *The Second Rumpole Omnibus* John Mortimer, 1988-03-31 The Second Rumpole Omnibus a classic collection of John Mortimer's greatest character Rumpole like Jeeves and Sherlock Holmes is immortal P D James Mail on Sunday I thank heaven for small mercies The first of these is Rumpole Clive James Observer Horace Rumpole turns down yet another invitation to exchange the joys and sorrows of life as an Old Bailey hack for the delights of the sunshine state where Senior Citizens loll on beaches and the sarcastic tones of the Mad Bull Judge Roger Bullingham are heard no more He settles instead for the beaded bubbles of Chateau Pommeroy's ordinary claret the domestic chill emanating from She Who Must Be Obeyed and his role extraordinaire as Defender of the Faith Never plead guilty This wonderful collection of Rumpole will be loved by fans of John Mortimer as well as readers of Sherlock Holmes P D James and P G Wodehouse One of the great comic creations of modern times Evening Standard There is a truth in Rumpole that is told with brilliance and grace Daily Telegraph Rumpole remains and absolute delight The Times Sir John Mortimer was a barrister playwright and novelist His fictional political trilogy of *Paradise Postponed* *Titmuss Regained* and *The Sound of Trumpets* has recently been republished in Penguin Classics together with *Clinging to the Wreckage* and his play *A Voyage round My Father* His most famous creation was the barrister Horace Rumpole who featured in four novels and around eighty short stories His books in Penguin include *The Anti social Behaviour of Horace Rumpole* *The Collected Stories of Rumpole* *The First Rumpole Omnibus* *Rumpole and the Angel of Death* *Rumpole and the Penge Bungalow Murders* *Rumpole and the Primrose Path* *Rumpole and the Reign of Terror* *Rumpole and the Younger Generation* *Rumpole at Christmas* *Rumpole Rests His Case* *The Second Rumpole Omnibus* *Forever Rumpole* *In Other Words* *Quite Honestly* and *Summer's Lease*

How the Law Works Gary Slapper, 2016-04-28 *How the Law Works* is a gem of a book for law students and for everyone else It is a must read for anyone interested in how society is shaped and controlled via law Dr Steven Vaughan solicitor Senior Lecturer Birmingham Law School *How the Law Works* is a comprehensive witty and easy to read guide to the law I thoroughly recommend it to non lawyers who want to improve their knowledge of the legal system and to potential students as an introduction to the law of England and Wales HH Judge Lynn Tayton QC Reviews of the first edition A friendly readable and surprisingly entertaining overview of what can be a daunting and arcane subject to the outsider The Law Teacher An easy to read fascinating book brimful with curious anecdote and explanation The Times *How the Law Works* is a refreshingly clear and reliable guide to today's legal system Offering interesting and comprehensive coverage it makes

sense of all the curious features of the law in day to day life and in current affairs Explaining the law and legal jargon in plain English it provides an accessible entry point to the different types of law and legal techniques as well as today's compensation culture and human rights law In addition to explaining the role of judges lawyers juries and parliament it clarifies the mechanisms behind criminal and civil law How the Law Works is essential reading for anyone approaching law for the first time or for anyone who is interested in an engaging introduction to the subject's bigger picture **Justice**

Denoted Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers Anatomy of a Murder as well as the romantic potboiler Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John Mortimer's Rumpole series along with a staple of fiction by major authors of the genre like John Lescroart Lisa Scottoline Margaret Maron Scott Turow and John Grisham There are also individual works by Shakespeare Goethe Kafka Camus and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative *boite noire* of the common individual caught up in its maw The appendices include comments by lawyer novelist Michael A Kahn a historical introduction to the legal thriller craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires bibliography of critical sources and articles series characters and the legal terminology found in courtroom dramas and novels An essential reference tool for scholars researchers as well as the occasional reader of legal thrillers

Embracing Philanthropic Environmentalism Will Sarvis, 2019-06-05 This book addresses urban ecology green technology problems with climate change prediction groundwater contamination invasive species and many other topics and offers a guardedly optimistic interpretation of humanity's place in nature and our unique caretaker role Drawing upon scholarly and media sources the author presents a common sense analysis of environmental science debunking eco apocalyptic thinking along the way Compromised science masquerading as authoritative is revealed as a fundraising and policy influencing crusade by the environmental elite overshadowing unambiguous problems like environmental racism **The Legal Thriller**

from Gardner to Grisham Lars Ole Sauerberg, 2016-11-10 This book offers a critically informed yet relaxed historical overview of the legal thriller a unique contribution to crime fiction where most of the titles have been written by professionals such as lawyers and judges The legal thriller typically uses court trials as the suspense creating background for presenting legal issues reflecting a wide range of concerns from corporate conflicts to private concerns all in a dramatic but highly informed manner With authors primarily from the USA and the UK the genre is one which nonetheless enjoys a global reading audience As well as providing a survey of the legal thriller this book takes a gender focused approach to analyzing recently published titles within the field It also argues for the fascination of the legal thriller both in the way its narrative pattern parallels that of an actual court trial and by the way it reflects frequently quite critically the concerns of contemporary society

Grammatically Correct Anne Stilman, 1997-09-15 How does good writing stand out If its purpose is to convey facts findings or instructions it need be read only once for its content to be clear If its purpose is to entertain or to provoke thought it makes readers want to come back for more Revised and updated this guide covers four essential aspects of good writing Individual words spelling variations hyphenation frequently confused homonyms frequently misused words and phrases irregular plurals and negatives and uses of capitalization and type style to add special meanings Punctuation the role of each mark in achieving clarity and affecting tone and demonstration of how misuses can lead to ambiguity Syntax and structure agreement of subject and verb parallel construction modifiers tenses pronouns active versus passive voice and more Style advice on the less hard and fast areas of clarity and tone including sentence length and order conciseness simplification reading level jargon and cliches and subtlety Filled with self test exercises and whimsical literary quotations Grammatically Correct steers clear of academic stuffiness focusing instead on practical strategies and intuitive explanations Discussions are designed to get to the heart of a concept and provide a sufficient sense of when and how to use it along with examples that show what ambiguities or misinterpretations might result if the rules are not followed In cases where there is more than one acceptable way to do something the approach is not to prescribe one over another but simply to describe the options Readers of this book will never break the rules of language again unintentionally

New Field, New Corn Paul M. Pruitt, Jr., 2015-09-09 NEW FIELD NEW CORN is an anthology of research papers that explore a range of topics from the rich legal history of the state of Alabama and its influential legal and judicial figures Contemporary photography and maps are featured as well New Field New Corn presents eight new essays on Alabama legal history from the pre Civil War era through the Civil Rights era These elegant and novel chapters survey a broad spectrum from economics race education and professional concerns of lawyers to plain old legal doctrine to show how those variables affected the state s development These essays reveal why we need intensive studies of American law at the state and county level in the 19th and 20th centuries For they demonstrate that law is embedded in our culture These invite many other studies from the county level on up in other states to demonstrate how law lies at the center of nation s history They reaffirm my faith that

there are many many fascinating stories left to tell about our nation s journey towards fulfilling the promises of law Alfred L Brophy Judge John J Parker Distinguished Professor of Law University of North Carolina Chapel Hill Author Reparations Pro and Con 2006 and Reconstructing the Dreamland 2002 Alabama legal history can be surprising Usually this history is identified with dominant one party politics slavery racial segregation and limited social welfare University of Alabama Law School legal historian Paul Pruitt s collection of young lawyers research reveals a new field It extends out from legal subjects embracing new perceptions of law in society across Alabama history The collection rests on broad research Lawyers working in diverse fields have produced Alabama legal history that sets a new standard Tony Freyer University Research Professor of History and Law Emeritus University of Alabama Author Hugo L Black and the Dilemma of American Liberalism 2007 and coauthor Democracy and Judicial Independence 1996 The volume s contents include Bryan K Fair s Foreword Critiquing Our Present Interrogating Our Past Paul M Pruitt Jr s Introduction Alabama Legal History as a Field of Study Warren Hoffman Developments of the Enclosure Movement in Alabama Disrupting the Free Roaming Paul Rand Flush Times in the Chancery A Brief Note on the History of Equity and Trusts Helen Eckinger The Militarization of the University of Alabama Eddie Lowe Economic Growth in Blount County Onteonta Attorneys Companies and Cases Mike Dodson Pioneers in Alabama Legal History A Firm Understanding of the History of Alabama Courtney Cooper A Man in a Boy s Coat The Evolution of Alabama s Constitutions Deirdra Drinkard The Uniform Beneath the Robe Ellie Campbell The Breakthrough Verdict Strange v State A compelling new addition to the Legal History Biography Series from Quid Pro Books

Professional Legal Ethics Donald Nicolson, Julian Webb, 2000-02-03 Ethics and regulation have become catchwords of the late 1990s yet relatively little has been written about the ethical discourse and regulation of the legal professions in England and Wales This book represents the first attempt to subject the ethical discourse of the English legal professions to in depth analysis and sustained critique Drawing on insights from moral philosophy social theory the sociology of the legal profession public law theories of regulation and the extensive American literature on lawyers ethics it argues that in seeking to provide definitive answers to particular problems of professional conduct professional legal ethics has failed to deliver an approach which requires lawyers actively to engage with the ethical issues raised by legal practice Through an analysis of the core issues facing lawyers the authors locate this failure in the profession s reliance on a liberal and adversarial role morality that conceptualises the ethical values of human dignity autonomy and equality in a formalistic and narrowly legalistic manner This encourages lawyers to overlook the real invasions of these values so often wrought by upholding clients legal rights and to ignore the competing claims of affected third parties the wider community and the environment In seeking to move beyond critique the authors develop throughout the book a contextual approach to individual ethical decision making and outline a range of institutional regulatory and educational reforms which they suggest could form the basis for a more ethical brand of professionalism Professional Legal Ethics Critical Interrogations is a wide ranging and thought provoking analysis written for

lawyers ethicists and policy makers interested in this neglected area of professional ethics and regulation **Abraham Lincoln's Most Famous Case** George R. Dekle Sr.,2014-04-17 Dispelling common myths and misunderstandings this book provides a fascinating and historically accurate portrayal of the 1858 Almanac Trial that establishes both Lincoln s character and his considerable abilities as a trial lawyer Even after the mythical elements are removed the true story of Abraham Lincoln and the Almanac Trial is a compelling tale of courtroom drama that involves themes of friendship and loyalty Abraham Lincoln s Most Famous Case The Almanac Trial sets the record straight it examines how the dual myths of the dramatic cross examination and the forged almanac came to be describes how Lincoln actually won the case and establishes how Lincoln s behavior at the trial was above reproach The book outlines three conflicting versions of how Lincoln won the Almanac Trial with a dramatic cross examination with an impassioned final argument or with a forged almanac and then traces the transformation of these three stories over the decades as they were retold in the forms of campaign rhetoric biography history and legal analysis After the author exposes the inaccuracies of previous attempts to tell the story of the trial he refers to primary sources to reconstruct the probable course of the trial and address questions regarding how Lincoln achieved his victory and whether he freed a murderer *A Mennonite Boy's Odyssey* Bernard (Bernie) D. Bowman,2016-09-20 A Mennonite Boy s Odyssey is a story of courage and discovery Some individuals are fully content to embrace answers provided by their own elders to life s great questions For others their elders way proves untenable They must forge their own path awakening through assimilation from alternate sources A Mennonite Boy s Odyssey traces one such awakening a life journey of spiritual development from growing up Mennonite in the Shenandoah Valley of Virginia in the 1950s and 1960s through decades of reading thought and enquiry The book balances life experience with intellectual and spiritual transformation This book is an accounting of a Hero s Journey in the parlance of Joseph Campbell *The Varieties of Leadership at Novarum Pharmaceuticals* Robert Pernick,Floyd Kemske,2009-10-01 Storytelling is a time honored way of educating Case studies attempt to engage students but are limited because they do not develop characters or settings What is needed is a full length novel with complex sympathetic characters and a story grounded in leadership and organizational behavior theories Novarum Pharmaceuticals is such a book Set in a large U S firm it follows the struggles of an executive vice president trying to launch an innovative joint venture with a Middle Eastern company The story proceeds from Nia Stevens first strategic proposal through various triumphs and setbacks to a final crisis in which she must choose between what she views as her career and her principles The main characters reveal a mix of motives and perceptions about each other and doing business in the Middle East They converge and clash and their actions change as the story unfolds Neither a tragedy nor a comedy the book is a plausible depiction of life within a modern corporation Novarum Pharmaceuticals embodies all the elements of a novel but unlike novels this one contains an index that professors and students alike can use to tie characters actions to theory The companion instructor s resource manual provides an extensive discussion framework

for the professor with background material on the pharmaceutical industry resumes of the principle characters questions and suggested answers for every chapter descriptions of theory and concepts learning goals for each chapter and a bibliography of organization related fiction Novarum Pharmaceuticals will make a refreshing supplemental text in many courses in the undergraduate and graduate degree programs in business administration psychology sociology organization development public administration healthcare management and educational administration Immersion in this book gives students a deeper appreciation of the often conflicted nature of worker motivation better preparing them for navigating their own careers General business readers interested in the consequences of questionable ethical behavior and bad leadership will also find the book entertaining and useful

Cicero's Use of Judicial Theater Jonathan Hall, 2014-08-13 In Cicero's Use of Judicial Theater Jon Hall examines Cicero's use of showmanship in the Roman courts looking in particular at the nonverbal devices that he employs during his speeches as he attempts to manipulate opinion Cicero's speeches in the law courts often incorporate theatrical devices including the use of family relatives as props during emotional appeals exploitation of tears and supplication and the wearing of specially dirtied attire by defendants during a trial all of which contrast strikingly with the practices of the modern advocate Hall investigates how Cicero successfully deployed these techniques and why they played such a prominent part in the Roman courts These judicial theatrics are rarely discussed by the ancient rhetorical handbooks and Cicero's Use of Judicial Theater argues that their successful use by Roman orators derives largely from the inherent theatricality of aristocratic life in ancient Rome most of the devices deployed in the courts appear elsewhere in the social and political activities of the elite While Cicero's Use of Judicial Theater will be of interest primarily to professional scholars and students studying the speeches of Cicero its wider analyses both of Roman cultural customs and the idiosyncratic practices of the courts will prove relevant also to social historians as well as historians of legal procedure

The Structures of Law and Literature Jeffrey Miller, 2013 A ground breaking study of the gap between law and justice establishing at last a truly substantive connection between law and literature *Rumpole À la Carte* John Mortimer, 1990 Six new tales featuring everyone's favorite barrister Horace Rumpole disheveled polemical and immensely fond of cigars Wordsworth and Chateau Thames Embankment One of the immortals of mystery fiction San Francisco Chronicle Mortimer's Rumpole has also been featured on the popular PBS series Mystery The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work Unique exciting and at times hilariously shocking key features include

unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia New Zealand Canada India South Africa Ireland and the Caribbean emphasis on post World War II slang and unconventional English published sources given for each entry often including an early or significant example of the term s use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge commentary on the term s origins and meaning New to this edition A new preface noting slang trends of the last five years Over 1 000 new entries from the US UK and Australia New terms from the language of social networking Many entries now revised to include new dating new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning it s rude it s delightful and it s a prize for anyone with a love of language

Quite Honestly John Mortimer,2007-02-27 From the creator of the Rumpole stories a novel of middle class do gooding gone awry Fans of John Mortimer and his popular Rumpole mysteries will love Quite Honestly a comedy filled with a delightful cast of characters and Mortimer s unique and entertaining take on a life of crime Life couldn t be better for Lucinda Purefoy college educated with a steady boyfriend and a job offer in advertising With all this good fortune isn t it appropriate for her to give something back to society Armed with only good intentions she joins Social Carers Reformers and Praeceptors SCRAP for short a misguided organization that recruits women to become guides philosophers and friends to ex convicts coming out of prison Once she meets her charge Terry Keegan the ensuing hilarity and mishaps produce a signature Mortimer tale full of wit and surprise

Some Joe You Don't Know Anthony Slide,1996-01-23 Americans have been watching and enjoying British television programming since the mid 1950s but the information on the personalities involved is difficult if not impossible to find in the United States This guide provides biographical essays complete with bibliographies on 100 of the best known and loved actors and actresses from Richard Greene Robin Hood and William Russell Sir Lancelot in the 1950s through stars of Masterpiece Theatre including Robin Ellis and Jean Marsh to the new generation of British comedy performers such as Alexei Sayle and Jennifer Saunders Not only are serious dramatic actors and actresses such as Joan Hickson and Roy Marsden to be found here but also the great comedy stars including Benny Hill and John Inman Among the many shows discussed in the text are Absolutely Fabulous You Being Served Dad s Army Doctor Who Fawlty Towers The Good Life The Jewel in the Crown Poldark Rumpole of the Bailey Upstairs Downstairs and Yes Minister The guide offers not only factual information but also samplings of contemporary critical commentary and in depth interviews with Terence Alexander Richard Briers Benny Hill Wendy Richard Prunella Scales and Moray Watson This is a reference source that also serves as fascinating entree into the wonderful world of British television one that is as fun to browse as it is to use for factual documentation

Critical Survey of Drama: Jane Martin - Lennox Robinson Carl Edmund Rollyson, Frank Northen Magill,2003 Combines updates and expands two earlier Salem Press reference sets
