Teaching Marx Curry Malott, John M. Elmore, Mike Cole, 2013-05-01 We are in the midst of yet another global crisis in capitalism In the UK we have the most right wing and ideologically driven government since Thatcher a ruthless cabal of millionaires intent on destroying the welfare state In the US President Obama whose initial record did not live up to the expectations of many on the Left is increasingly driven by right wing republicanism and other corporate interests At the same time there are developments in Latin America in particular Venezuela which are heralding the dawn of a new politics and recovering the voice of Marx but with a twenty first century socialist focus thus giving hope to the lives of millions of working people throughout the world This is why the world media is intent on discrediting President Hugo Chavez and insisting that ordinary people have to pay the cost of the crisis in capitalism The Arab Spring and the Occupy movement also show signs of an anti capitalist movement in embryo In Greece perhaps more than anywhere else in Europe even France the austerity stricken working classes are pushing for real existing socialism It is therefore not surprising that the ruling class of Greece is increasingly supporting the neo Nazi fascist Golden Dawn party threatening civil war should they lose power as a class Now is a prescient time to bring twenty first century socialism to the educational institutions of the world to teach Marx across the curriculum and across the globe Through this volume our goal was to contribute to the literature by concretely demonstrating the practical implications of Marx's theory to curriculum However while this book provides concrete examples of how Marx can and has informed a revolutionary critical education it is not intended to be prescriptive That is the chapters should not be read as a how to guide but they should be taken as inspiration for new creative approaches to Teaching Marx and interpreting and posing The Socialist Challenge Teach Like a Champion Field Guide 2.0 Doug Lemov, Joaquin
