Dear George,

It was a pleasure to have you at our **Plant Sale Fundraiser** on Earth Day.

Our community really appreciated the event and it was only possible because of you. **Your efforts helped us raise \$16,300.** A huge success!

Your idea to partner with local gardeners and have them share their expertise is a big part of what made this event successful.

All the organizing team appreciates the energy and passion you gave to our event.

Thank you so much for sharing your time and ideas.

I look forward to seeing you again and especially at our next event.

With all my gratitude,

Sarah Craigen

World Class Teru Clavel, 2020-10-06 An upbeat chronicle of Clavel's children's school experiences in Hong Kong Shanghai and Tokyo offering advice about vetting schools and enriching children's education Kirkus Reviews An intriguing volume on the differences in global education Library Journal A must read firsthand exploration of why Asian students are outpacing their American counterparts and how to help our children excel in today's competitive world When Teru Clavel had young children she watched her friends and fellow parents vie for spots in elite New York City schools Instead of losing herself in the intensive applications and interview process Teru and her family moved to Asia embarking on a decade long journey through the public schools of Hong Kong Shanghai and Tokyo These schools were low tech and bare bones with teachers who demanded

obedience and order In Hong Kong her children s school was nicknamed The Prison for its foreboding facilities yet her three year old loved his teachers and his nightly homework In Tokyo the students were responsible for school chores like preparing and serving school lunches Yet Teru was amazed to discover that her children thrived in these academically competitive cultures they learned to be independent self confident resilient and above all they developed a deep love of learning When the family returned to the States the true culture shock came when the top schools could no longer keep up with her children Written with warmth and humor World Class is a compelling story about how to inspire children to thrive academically Studded with lists of useful tips about choosing schools and hiring tutors for parents who must advocate for their children and supplement gaps in their educations Publishers Weekly and an insightful guide to set your children on a path towards lifelong success
