The Africans Who Wrote The Bible:

The Africans who Wrote the Bible Nana Banchie Darkwah,2000 Falsification and Assumption Aheu Majok Lat,2024-05-28 Aheu Majok Lat s book helps improve the distortion that he believes the Jewish community has deceived the world of how they spoke with God and the origin of existence Lat supports this view with facts such as no proven basis from the outcome of scholars research With this new point of view Lat s opinions support that the Bible was a focal point of difference and is now dividing the world About the Author Aheu Majok Lat is from South Sudan where he went to school and worked as a bookkeeper After coming to the United States in 1999 he earned a degree in arts and accounting Lat has attended multiple bible studies in Egypt *From Mythology to Reality: Moving Beyond Rastafari* Seon M. Lewis,2012-11-21 The main thesis of this book is based on the Rastafarian Movement This book presents information about this movement in one place that is largely not know by the many adherents of the faith Moreover this book presents a unique view of the Movement a view embedded in a Grenadian Caribbean experience This view however is not narrowly placed but is argued within a wider world context and thus explains whether the Rastafarian movement can be a force for good both within the black community and the world at large Editor and author Norm R Allen Jr said that This well researched book expertly demolishes the ridiculous notion among Rastafarians that Emperor Haile Selassie of Ethiopia is God Moreover Lewis offers many excellent critiques of theism the Bible Rastafarianism Afrocentric thought and religion in general This book is informative to everyone THE OUTDOORING, DEDICATION AND NAMING OF AN AFRICAN CHILD VOLUME 1 Ernest H. C. Tetteh,2016-03-22 The Outdooring Dedication and Naming of an African Child Ganyobi Kpojiemo History and Origin of the GaDangme people of Ghana IN HIS NAME E. Christopher Reyes,2014-09-04 This book one of a series of books reveals the secrets the Christian ministry does not want you to know It is about the unknown writers of Holy Scriptures From the earliest of times the conquerors have had a hand in writing the history of their vanquished hence nine out of ten Christians don t know who wrote their Gospels Today even the clergy doesn t know as they regurgitate the lies that they were taught from their early years of inadequate religious inculcation indoctrination the Jews themselves looked upon the followers of Christ as a mere Israelitish sect The sect of the Nazarenes Acts 24 15 As stated in the Catholic Encyclopedia they are the believers in the promised Messiah Catholic Encyclopedia Vol III p 713 Mankind whose body is mortal is promised immortality for his soul by a deceptive priest craft whose intentions are self serving What could possibly compel man to deceive lie and create fictitious histories Food Money Sex Profit Prestige All of the aforementioned cf 2 Tim 3 13 First of all is man s basic need food the common folk are now starving and disorderly as money is hard to obtain due to high interest rates and upon this there are life threatening droughts and a famine cf Deut 7 1 2 **THE MIND, BODY, SPIRIT, And STORYTELLING** Hakeem R. Jelani,2023-05-23 For a controversial yet refreshing perspective this book you are holding right now is one that will give you a salient insight into the author s discourse with a new subjective viewpoint regarding the Anunnaki ancient

world Their significant deeds and contributions to humanity Which syncs very nicely with the modern ancient astronauts hypothesis Events that are largely associated with the Old Testament Bible Genesis narrative are inextricably linked back to Anunnaki as Those who from Heaven came down to Earth were a fifty man crew under command of the Anunnaki Royal Prince Enki Ea From his home planet Nibiru the eponymous God of creation imbued Kemetic spiritual science philosophy to the African Pharaohs dynasties of Egyptians Mithrum Its speculation and bold assumptions will brighten up your vision as you discover what has long been hidden by the elites who promulgate mendacious truthiness and storytelling as the vicar s of god on Earth Reading this book gives you this powerful insight from a mind body and spirit perspective You discover a different view of the Holy Old Testament Bible Genesis narrative and storytelling Hakeem invites readers to reexamine the Bible myth as a dichotomy between the significant transition into the Western New Testament Christian Church religion of western Europe and the African Egyptian consciousness of spiritual science precepts The Kemetic ankh life became the Christian cross death Each represents important symbolism Whereas the former was plagiarized and replaced and incorporated into the Roman Catholic New Testament Christian Bible religion and canons as the doctrine of theology It s a great story that postulates an assertion that calls one to reexamine the Bible book of genesis Which the Hebrew and Greek Septuagint Bible scribes removed acknowledge to conceal gods Anunnaki identity of the gods The truth about the elite Royals pantheon of alien gods as Anunnaki Anu Enlil and Enki as Those who from the Heavens came down The ancient account pertaining to the Sumerian Bible Genesis is the original codex of historical manuscript religious described rituals and rites which was the hidden books of sacred knowledge and wisdom taught in the halls of the mystery schools by the ancient Egyptian Priesthood This book imparts his speculative unvarnished anecdotal details about Genesis from a different perspective The Biblical history of Genesis as it should be taught Not like the Christian Catholic Protestant and Baptist religions teach the gospels of the Christian savior of the crucified Jesus Christ as the human savior or of the crucified Jesus Christ of heaven Not like the Christian Catholic Protestant and Baptist religions of blind faith But in its purest form of theology that is primarily the Gospels of death salvation and the resurrection after the end of Jesus Christ s crucifixion by the Roman Albeit speculative its conjecture dovetails nicely with attributions described in the Old Testament Bible god corresponds precisely to Enki Ea deeds This book is complete speculation with emphasis on the Bible book of Genesis Hakeem boldly conflated the creator of the homo sapien sapiens with Enki who was a brilliant scientist and chief medical doctor Which means that he was exceptionally qualified to genetically fuse his biological DNA chromosome code by genetic manipulation of an African female mitochondrial DNA as described in the Old Testament Genesis narrative tale Which raises curious questions as to why the book of Genesis accounts can be examined with great skepticism and a misdirection play because much of the factual information about the Genesis of history was either burned by invading armed forces omitted the rulers suppressed by the Church or destroyed in order to control the narrative of historical evidence He pointed to Enki s

process concerning an African female's mitochondrial DNA biological chromosome genetic codes manipulated and used to fashion Adam men as his Hebrew ancestral Royal bloodline It's a fictionalized story written to make people think about this with intellectual intuition logic and reason **Africans and Europeans Are the True Israelites** Embaye

Melekin, 2020-05-26 Here is wisdom Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six 666 Revelation 13 18 I was born on 06 16 1956 666 I am destined ordained blessed and bestowed by the Lord to reveal the truth and to be an instrument in restoring the ancient Kingdom of Israel to its past glories as God's covenanted people The Kingdom of Israel had always existed in our midst but was lost and concealed from our knowledge for many centuries while we multiplied in various regions of the world It is now the time for the Lord to restore the Kingdom of Israel as his precious and anointed people of God God shall ultimately graft back all the Israelites worldwide to their original tree and they shall all identify themselves as the covenanted people and heirs to the blessings of God This book is a testament of God and I wrote it with the aspiration and revelation of the Lord The Lord and his blessed Son Jesus Christ shall be worshipped and revered by the entire Israelites all over the world when they come to the knowledge of the truth and to the knowledge of themselves I have proven that Africans and Europeans are indeed the descendants of Abraham Isaac and Jacob and are the covenanted people of God Both blacks and whites shall rise and grow together and they shall both be the blessed people of God from henceforward This is the end of time when the whole world shall be renewed and would be led by an entirely new perception as the authenticated Israelites This book has established that task It is the era when Satan shall be tied down for a thousand years **Africans who Shaped Our Faith** Jeremiah A.

Wright (Jr.), Colleen Birchett, 1995 Take your study group on a voyage of self discovery Based on the sermons of Jeremiah A Wright Jr this thought provoking program explores the important role played by Africans in the Bible The Leader's Guide is easy to use and flexible in format ideal for private or group study church retreats or family devotions *Decolonizing*

African Biblical Studies David Tuesday Adamo, 2004 *African Americans and the Bible* Vincent L. Wimbush, 2012-09-01

Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about

how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

Routes of Passage: Rethinking the African Diaspora Ruth Simms Hamilton, 2006-11-09 Routes of Passage provides a conceptual substantive and empirical orientation to the study of African people worldwide The book addresses issues of geographical mobility and geosocial displacement changing culture political and economic relationships between Africa and its diaspora interdiaspora relations political and economic agency and social mobilization including cultural production and psychocultural transformation existence in hostile and oppressive political and territorial space and confronting interconnected relations of social inequality especially class gender nationality and race

When Reasoning Is on Vacation Emokpae Odigie, 2015-02-17 In Africa the belief in witchcraft magic God devil and life before and after death are thought to be in the supernatural realm In his book Nigerian author Emokpae Odigie tries to explain human events and actions given the background of natural laws all in an attempt to end African superstition and its reliance on erroneous invisible supernatural powers When Reasoning Is on Vacation is all about humanity and how social and economic progress can be affected with outmoded thinking The author chose events to write about for which the machinations of witches and other invisible powers were attributed in Africa and tried to place them as natural laws He raises questions about some and then tries to explain them in the background of natural occurrence The book was written to reflect the lack of social and economic progress of Africans as well as the common accusation of innocent people possessing the power of witchcraft which is believed to be responsible for misfortune

The Legends of the Jews: Bible times and characters from Joseph to the exodus Louis Ginzberg, 1910

The African Diaspora and the Study of Religion T. Trost, 2007-12-25 This book focuses on the location of the religious heritage of Africa within the academic study of religion including indigenous African religions African Christianities African American forms of Islam the religions of African Americans Afro Caribbean religions and Afro Brazilian religions

An African Pentecostal Hermeneutics Marius Nel, 2018-12-27 The face of African Christianity is becoming Pentecostal African Pentecostalism is a diverse movement but its collective interest in baptism in the Spirit and the result of Pentecost in daily living binds it together Pentecostals read the Bible with the expectation that the Spirit who inspired the authors will again inspire them to hear it as God's word They emphasize the experiential at times at the cost of proper doctrine and practice This book sketches an African hermeneutic that provides guidance to a diverse movement with many faces and serves as corrective for doctrine and practice in the face of some excesses and abuses especially in some parts of the neo Pentecostal movement African Pentecostalism's contribution to the hermeneutical debate is described before three points are discussed that define it the centrality of the Holy Spirit in reading the Bible the eschatological lens that Pentecostals use when they

read the Bible and the faith community as normative for the interpretation of the Bible **An Introduction to Womanist Biblical Interpretation** Nyasha Junior, 2015-01-01 An Introduction to Womanist Biblical Interpretation provides a much needed introduction to womanist approaches to biblical interpretation. It argues that womanist biblical interpretation is not simply a byproduct of feminist biblical interpretation but part of a distinctive tradition of African American women's engagement with biblical texts. While womanist biblical interpretation is relatively new in the development of academic biblical studies, African American women are not newcomers to biblical interpretation. Written in an accessible style, this volume highlights the importance of both the Bible and race in the development of feminism and the emergence of womanism. It provides a history of feminist biblical interpretation and discusses the current state of womanist biblical interpretation as well as critical issues related to its development and future. Although some African American women identify themselves as womanists, the term's usage, its features, and its connection to feminism remain widely misunderstood. This excellent textbook is perfect for helping to introduce readers to the development and applications of womanist biblical interpretation.

Towards an Understanding of the African Experience from Historical and Contemporary Perspectives Festus Ugboaja Ohaegbulam, 1990 This introductory survey provides a rich understanding of the African experience which until recently either had been omitted from the curriculum of institutions of higher learning or was distorted in written and oral literature. The book identifies the post World War II civil rights movement in America and the independence revolution in Africa as the most decisive forces that generated interest in the study of the African black experience. Includes four theoretical models for interpreting the black experience. The author discusses the place and role of Africa in the development of human civilization, focusing on Africa's Nile Valley civilizations and Western Sudanic empires. It probes aspects of traditional African culture, including the family, traditional political institutions, and religion, and analyzes the impact on Africa and its peoples of such historical traumas as slavery, colonialism, and decolonization.

Christianity and the African Counter-Discourse in Achebe and Beti Ali Yiğit, 2024-05-15 Christianity and the African Counter Discourse in Achebe and Beti Cultures in Dialogue Contest and Conflict intervenes in light of African literary products the history of Christianity in Africa in late 19th and early 20th centuries goes beyond the existing clichés about the operations of the European Christian missionaries whether Protestant or Catholic in Africa and opens alternative ways to read the chain of missionary native African and missionary European colonists relationships. Christian missionaries did not come to Africa for their own interests; the Christianization of Africa, European colonial projects, the interests of Africans, the establishment of European civilization in Africa, but came for all. Once there was a dialogue between the Christian missionaries and pagan Africans which was in time replaced by contest for superiority and finally by conflict. Accordingly, the countenance of the continent has changed forever. **The African Christian vs. God's Word** Jacob Oyerinde, 2025-08-19 What does the black African Christian consider to be the meaning and purpose of life? Can a believer in Jesus Christ afford to be law averse and romanticise with tribal

culture Can a believer subject the teachings of the Bible to the dictates of tribal culture and still hope to go to heaven What is the black African Christian s understanding of the role of the Bible in a believer s life Has Spirit baptism any meaning and significance to the black African Christian The author delves in to these and many other questions in this inspiring guide for Christians and potential believers of Jesus Christ whether of African origin or not who are seeking guidance in the way they come to faith in Christ **The Prophetic Voice of Amos on Contemporary Social Justice** Patrick Kofi

Amissah,2023-09-14 This volume comprehensively examines all texts dealing with social justice in the Prophecy of Amos It also provides evidence of contemporary systemic social injustice The volume then reflects on how biblical social justice is relevant to the contemporary quest for social justice This volume demonstrates that irrespective of the hermeneutical challenges the principles gleaned from the pages of the Hebrew Bible can dialogue effectively with modern issues and deduce living principles that could enable us to deal with issues that confront us today It is thus a framework by which biblical social justice illuminates the contemporary quest for social justice
