Reviews The sardonic personality of the author is reflected in his writing A treasure trove of information has brightly illuminated the frame of reference of the characters I loved the book it s an easy read and yet the author offers original insights into our social and cultural idiosyncrasies Like they say in our profession strongly recommend R Srinivasan Head of Equity SBI Mutual Funds A lucid and at times provocative narration of the life of an investment professional with some desi colour that provides a ringside view of an exhilarating milieu in Indian economy The unique style of the author makes each character in the story come alive Mahesh Patil Co Chief Investment Officer Birla Mutual Fund About the book When Yayaati a pre millennial small townner takes up a stockbroking job in Mumbai after his MBA little does he know what the future has in store for him The turmoil and turbulence of the Indian stock market narrated by Yayaati named after a character from the Mahabharat takes you through a roller coaster of emotions Fiction and reality intertwine and the reader experiences what it must have been like to be in a high voltage electrifying environment that changes and influences the protagonist s life in myriad ways Power sex drugs it s all here and more And at its height Yayaati throws it all away Or does he Yayaati is not a hero but he is not a villain either The author shows a mirror to The Yayaati Generation and forces them to think about the choices they have made Most of the character names are allegorical some ironically so At a higher level the text is a treasure hunt with varied references buried within The author attempts to both amuse and annoy the reader sometimes simultaneously Contemporary Sport Management, 5E Pedersen, Paul M.,Thibault, Lucie,2014-06-18

Contemporary Sport Management Fifth provides students with an overview of sport management by presenting extensive discussions of the foundational aspects of the profession and current topics from the field The fifth edition continues to engage students with a full color format and an integrated web study guide The text also discusses the role of social media in revolutionizing the industry and the significance of sport as an international institution Students will learn the relevance of legal sociocultural historical political and psychological concepts to the management of sport the professional skills and attitudes of successful sport managers and ways in which the globalization of sport continues to affect sport management
