Lebanese Home Cooking Kamal Mouzawak, 2015-09-15 Kamal is one of the great culinary minds of our time to finally have a book that shows just a fraction of what Kamal is about is such joy Rene Redzepi chef and co owner of Noma Growing up around the orchards of Jeita just outside Beirut Kamal Mouzawak learned to cook by watching his family and neighbors plant herbs in their gardens harvest almonds and citrus fruit from their trees and transform these bounties into the fresh and distinctive cuisine of home After the Lebanese Civil War Kamal toured the farthest regions of his country discovering yet more neighbors from differing religions and traditions sharing a common land and fare Lebanese Home Cooking is an invitation to explore these traditions bringing the authentic mostly vegetarian meals of Kamal's homeland onto our own tables no matter how far they might be from the orchards of Jeita Praise for Lebanese Home Cooking Lebanese culture served on a plate CNN If I was surprised it was at what Kamal is doing at Souk el Tayeb bringing cooks from different social political and regional sectors Chef Anthony Bourdain *The Art of Syrian Cookery* Helen Corey, Arabic cooking is like Arabic dancing vivid exotic enchanting Seasoned with herbs and spices moistened with olive oil and butter rolled in cabbage and grape leaves food no longer merely abates hunger but becomes a picture of fragrance and charm to satisfy sight smell and taste There is no difference between Syrian and Lebanese foods In America these foods are most popularly known as Syrian foods However since Syria was under the rule of Turkey for centuries some of the drinks and foods are Turkish This is

why the coffee served in Syria and Lebanon is called Turkish coffee A part of my heritage these recipes have been handed down from mother to daughter for generations and followed by instinct a little of this a pinch of that and flavored to please the palate though the ingredients were never accurately measured As my sister and I gathered these recipes from my mother Maheeba Mabel she recalled many scenes of her native land of certain hafli parties of friends of the rich aroma of Turkish coffee poured into a demitasse of the historical background of Arabic script and the makings of exquisite damask cloth When we lived in Canton Ohio as children my sister brother and I used to get a great deal of pleasure watching my father and his friends take turns smoking the narghileh Turkish water pipe as they relaxed during the evenings exchanging stories of their journey to this country The narghileh had the sound of bubbling water and an incense aroma filled the house from the Persian tobacco that was used Our narghileh was made of beautiful cut glass with an oriental brass stem and the smoking pipe that was attached had an almost cobra look with its many variegated colors The smoke was being drawn through cold water to reduce the strength of the nicotine The guests were served Turkish coffee and the hostess was ready to play the part of a fortuneteller The cups were inverted and left to stand so that the coffee sediment formed a pattern on the inside of the cup Then the cups were turned up again and the hostess interpreted the future of each guest from the pattern in his cup I have included in the book features on the religious significance of foods Syrian Lebanese festivals weddings Easter Epiphany the preparation of wine and bread for Holy Communion and a complete Lenten section This is an adventure in foods you will want to repeat over and over again While these customs and traditions still prevail in the land of my ancestors I felt that you would enjoy opening a few doors to this ancient land reflecting the mingling of traditions between those days and modern times This illustrated classic includes the following sections Spices and Herbs Arabic Menus Appetizers Sauces Soups Salads Game Poultry and Dressings Meats and Outdoor Festivals Wheat and Kibby Pancakes and Omelets Vegetables Olives Bread and Pies Beverages Candied Fruits and Preserves Pastries and Desserts Fish Lenten Foods and Menus Lenten Menus Lenten Pies Lenten Salads Lenten Kibby Lentil Dishes Lenten Sauces Wheat and Vegetable Dishes Lenten Desserts Traditions and Foods of the Orthodox Catholic Church **The Little Foods of the Mediterranean** Clifford Wright,2003-09-26
