Take Two English Edition:

Maddrax: Volume 2 (English Edition) Ian Rolf Hill, Lucy Guth, 2022-01-19 Matt and Aruula continue their search for anomalies caused by Project Moon Jump After their adventures in the Victorian steampunk version of Lancaster California they come across another parallel world in Mexico this one populated by dinosaurs Will they be able to broker a peace deal between the local former Technos and the Dinoroids or is war inevitable In addition the Refuge of Knowledge is in danger Trying to uncover its secrets the Scottish Mafia is making their play Can Matt and Aruula uncover the conspiracy before it s too late Finally another alternate reality emerges in Berlin a world ruled by the Catholic Inquisition The local Amazonians are immediately targeted by the witch hunters Just like a certain telepath and her newfound lizard friend Quintus Claudius, Volume 1 (of 2) (English Edition) Ernst Eckstein, It was in Rome itself in the sublime solemnity of the Colosseum among the ruins of the palaces of the Caesars and crumbling pillars of the temples of the gods that the first dreamy outlines rose before my fancy of the figures here offered to the reader s contemplation Each visit added strength to the mysterious impulse to conjure up from their tombs these shadows of a mighty past and afterwards at home where the throng of impressions sorted and grouped themselves at leisure my impulse ripened to fulfilment I will not pause here to dwell on the fact that the period of Imperial rule in Rome bears in its whole aspect a stronger resemblance to the XIXth century than perhaps any other epoch before the Reformation for without reference to this internal affinity we should be justified in using it for the purpose of Romance simply by the fact that hardly another period has ever been equally full of the stirring conflict of purely human interest and of dramatic contrasts in thought feeling and purpose I must be permitted to add a word as to the notes I purposely avoided disturbing the reader of the story by references in the text and indeed the narrative is perfectly intelligible without any explanation The notes in short are not intended as explanatory but merely to instruct the reader and complete the picture they also supply the sources and give the evidence on which I have drawn From this point of view they may have some interest for the general public unfamiliar with the authorities Parzival A Knightly Epic Volume 1 (of 2) (English Edition) Wolfram von Eschenback, Example in this ebook In presenting for the first time to English readers the greatest work of Germany s greatest medi val poet a few words of introduction alike for poem and writer may not be out of place The lapse of nearly seven hundred years and the changes which the centuries have worked alike in language and in thought would have naturally operated to render any work unfamiliar still more so when that work was composed in a foreign tongue but indeed it is only within the present century that the original text of the Parzival has been collated from the MSS and made accessible even in its own land to the general reader But the interest which is now felt by many in the Arthurian romances quickened into life doubtless by the genius of the late Poet Laureate and the fact that the greatest composer of our time Richard Wagner has selected this poem as the groundwork of that wonderful drama which a growing consensus of opinion has hailed as the grandest artistic achievement of this century seem to indicate that the time has come when the work of Wolfram von

Eschenbach may hope to receive from a wider public than that of his own day the recognition which it so well deserves. Of the poet himself we know but little save from the personal allusions scattered throughout his works: the dates of his birth and death are alike unrecorded; but the frequent notices of contemporary events to be found in his poems enable us to fix with tolerable certainty the period of his literary activity and to judge approximately the outline of his life. Wolfram's greatest work, the *Parzival*, was apparently written within the early years of the thirteenth century; he makes constant allusions to events happening and to works produced within the first decade of that period; and as his latest work, the *Willehalm*, left unfinished, mentions as recent the death of the Landgrave Herman of Thuringia which occurred in 1216, the probability seems to be that the *Parzival* was written within the first fifteen years of the thirteenth century. Inasmuch too as this work bears no traces of immaturity in thought or style, it is probable that the date of the poet's birth cannot be placed much later than 1170. The name Wolfram von Eschenbach points to Eschenbach in Bavaria as in all probability the place of his birth, as it certainly was of his burial. So late as the end of the seventeenth century his tomb with inscription was to be seen in the Frauenkirche of Ober Eschenbach, and the fact that within a short distance of the town are to be found localities mentioned in his poems, such as Wildberg, Abenberg, Truhending, Wertheim, etc., seems to show that there too the life of the poet-knight was spent. By birth as Wolfram himself tells us he belonged to the knightly order *Zum Schildesamt*; *bin Ich geboren*, though whether his family was noble or not is a disputed point; in any case Wolfram was a poor man, as the humorous allusions which he makes to his poverty abundantly testify. Yet he does not seem to have led the life of a wandering singer, as did his famous contemporary, Walther von der Vogelweide; if Wolfram journeyed as he probably did, it was rather in search of knightly adventures. He tells us *Durchstreifen muss Der Lande viel Wer Schildesamt verwalten will*, and though fully conscious of his gift of song, yet he systematically exalts his office of knight above that of poet. The period when Wolfram lived and sang we cannot say; wrote for by his own confession he could neither read nor write: *I ne kan decheinen buochstap*, he says in *Parzival*, and in *Willehalm*, *Waz an den buochen steht geschriben Des bin Ich kunstelos geblieben*, and his poems must therefore have been orally dictated. He was one peculiarly fitted to develop his special genius. To be continued in this ebook.

Two English-Language Translators of Jin Ping Mei Shuangjin Xiao, 2024-07-31 *Two English Language Translators of Jin Ping Mei* examines English translations of the Ming novel *Jin Ping Mei* by translators from different historical periods within the Anglophone world. Drawing upon theoretical insights from translation studies, literary criticism, and cultural studies, the book explores the treatment of salient features of the novel in translation, including cultural representation, narratological elements, gender-specific motifs, and homo sexual themes. Through literary re-imagining and artistic re-creation, Egerton transforms a complex and sprawling narrative into a popular, modern, middlebrow novel, making it readily accessible within Western genres. Roy's interlinear and annotated translation transcends the mere retelling of a vivid story for its unwavering emphasis on every single detail of the original, becoming a portal to the Ming past. It stands as a testament to the significance of translation as a medium for understanding

the legacy of the late Ming and the socio cultural dynamics shaping that period in Chinese history This book will be a useful reference for scholars and research students within the fields of literary translation studies and translated Chinese literature particularly Ming Qing fiction The book will also appeal to students and researchers studying Jin Ping Mei s translation and reception in the West

A ^ANew English Translation of the Septuagint Albert Pietersma,Benjamin G. Wright,2007-11-02
Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint s influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap

Example in this ebook CHAPTER I The same day which saw our friends in the country house at Ostia and the bond of love sealed between Aurelius and Claudia had been one of infinite agitation and annoyance to the Emperor Domitian The very first thing in the morning came vexatious tidings from the town and provinces At the earliest dawn inscriptions had been discovered on several of the fountains columns and triumphal arches of which the sting was more or less covertly directed against the Palatium and the person of Caesar Enough was attached to the base of a portrait bust The fruit is ripe was legible on the arch of Drusus In the fourth eighth and ninth regions the revolutionary question was to be seen in many places Where is Brutus and at the entrance of the baths of Titus in blood red letters stared the appeal Nero is raging Galba why dost thou tarry Domitian who had heard all this from his spies long before the court officials even suspected what had happened received these courtiers in the very worst of tempers His lev e was not yet ended when a mounted messenger brought the news that a centurion had raised the standard of revolt on the Germanic frontier but that he had been defeated and slain after a short struggle At noonday the soldiers of the town guard seized an astrologer Ascletario by name who had publicly announced that ruin threatened Caesar Before the moon should have twelve times rounded so ran his prophecy Caesar s blood would be shed by violence The immortals were wroth at his reprobate passion for a woman who by all the laws of gods and men he had no right to love At first Domitian laughed His connection with Julia seemed to him so dull and pointless a weapon for his foe to turn against him that the stupidity of it astonished him However he commanded that the astrologer should be brought before him Who paid you he enquired with a scowl when the prisoner was dragged into the room No one my lord You lie My lord as I hope for the mercy of the gods I do not lie Then you really assert that you actually read in the stars the forecast you have uttered Yes my lord I have only declared what my skill has revealed to me The superstitious sovereign turned pale Well then wise prophet you can of course foretell your own end Yes my lord Before this day is ended I shall be torn to pieces by dogs Domitian looked scornfully round on the circle of men I fancy he said that I can upset the

prophetic science of this worthy man Carry him off at once to execution and take care that his body is burnt before sundown The astrologer bowed his head in sullen resignation He was led away to the field on the Esquiline and immediately beheaded before an immense concourse within an hour Domitian was informed that all was over At this news his temper and spirit improved a little He congratulated himself on the prompt decision which had so signally proved the falsehood of the prophecy At dinner he carried on an eager conversation with Latinus the actor who among other farcical parts filled the role of news monger You are later than usual to day said Caesar graciously What detained you To be continue in this ebook
