Alpha's Chosen Mate RUBY YURI, 2025-07-18 In a world where duty and power come before love Damon Virex the newly crowned Alpha has promised to place the pack's interests above all else his mate included But when his childhood love Calla leaves him with a secret that has haunted her for years everything changes Years later a powerful storm forces Calla and her daughter Luna to seek refuge in Virex Manor where Damon resides As she faces her past Calla keeps Luna's true identity hidden terrified that Damon will claim his daughter an heir with powers that could shift the balance of power in the pack But Damon is not the same man he once was and he's determined to be part of Luna's life However dark forces from his past have returned with sinister intentions The Blackmoon Pack once allies are now enemies and they know about Luna's abilities In a game of power loyalty and hidden secrets Damon must choose between family and pack But in this dangerous world will love be enough to protect the ones they care about As tensions rise and old betrayals resurface will Damon and Calla find a way back to each other Or will the storms both inside and out tear them apart forever Can Damon protect his family or will the past destroy everything they've fought for
