The Manual For Life The Bible:

The Manual for Life Bonaventure C. Okoro, 2010-08-26 Every inventor writes the manual for the use of his invention A car has an owner's manual written by the manufacturer God the creator inventor of the universe has written a Manual for His creation the earth The irrefutable fact remains that people are either not reading or yielding to the Manual since as statistics indicate 80% 85% of the US population profess to be Christians Despite the large number of believers we have a huge disconnect between the practices of people and the ethos of the dictates of the Bible The Manual Disagreements on subjects like prayer in schools debate on the death penalty abortion homosexuality and divorce exist when the manual is clear on these subjects This work makes the case that the reader obeys and uses the Word of God as the manual it ought to be It is an authentic document proven by historical prophetic miracles and the life changing spiritual facts It also looks at the major world religions discussing how to use the manual and what not to do with it and invites people to come to life by the shed blood of Jesus BIOGRAPHY Dr Bonaventure C Okoro MD is an Internist in private practice in Toledo Ohio in the United States Born in Nigeria he did his medical education at the University of Medicine Pharmacy in Cluj Napoca Romania After a brief practice in Nigeria he did his training in Internal Medicine and Emergency Medicine at Howard University in Washington DC Dr Okoro now resides with his wife and four children in Ohio USA and a member of Corner Stone church a global ministry under the pastoral leadership of Bishop Michael Pitts His time is spent in full time medical practice and is deeply involved in medical missionary work to different regions of the world *The Manual for Life* Howard & Darlene Watson, 2014-11-01 This is a manual for life that will point you in the direction of learning the secrets in the Word of God Thereby it will help you have a closer more intimate relationship with the Lord of Lords and the King of Kings **Read the Bible for Life** George H. Guthrie, 2011 Guthrie presents a layperson's guide to understanding how to read the Bible in context so that its teachings are illuminated and can be fully applied to every facet of daily life *Answers to Life's Foundational Questions*, 2014-12-15 From page to page the attentive reader will not escape a stir of one's inner essence regarding the fundamental issues of life He opens the lid to life's essentials inviting thorough considerations to the origin of the universe the potential vested in each human life and the bubble of the evolution theory and so called science This discourse is for those searching for answers and inspiration It will call the frivolous soul to attention and demand duty from its bearers It's a wakeup call to the slothful and a harsh reminder to the proud But it's more than that this book identifies with all who are poised to accomplish their dreams It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes The issues raised demand your thorough attention if you will profit from the wisdom shared They are instructive to the thinking mind This book is a treasure field But it must be mined So while you read heed the urge to purposefully pause reflect and precipitate the cogitations of your mind It will do you eternal good **Confronting the Storms of Life** Samuel Daniel, 2004-08 Confronting the Storms of Life is a book that

The Seasoned Life Paul Kasonsole-Mukungu,2016-09-15 This book draws parallels of our human lifespan to that of the weather seasons of spring summer autumn and winter The author assumes the useful years of our being to be eighty He divides these years equally into the four seasons being twenty years each The spring season is viewed to be promissory belonging to the parents or the system that nurtures the young into the confident and independent person of the latter years Come summer we become adults as we reach the peak of our physical growth and energy Autumn in the life of plants is the fall of leaves Likewise humanly red flags start showing up at this time signaling the reality of our mortality From the summer

years until somewhere in the winter years we are wired to be productive But it is the winter season that calls for us to be collected and to pass on what we have gathered over the mileage of our lives to those in waiting The author notes that while we all can survive spring summer and autumn we surely go to sleep in winter We never start the cycle all over again At best the winter can be long In other words we can live to around anything past eighty However he argues that past eighty we live a preventative life pattern The message of the book is that all seasons are beautiful and it is in our interest to take advantage of each season while it lasts

The House That God Built Zebedee King, 2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprint the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built* Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning

of time Rather by employing the word RE Vision he calls for a refocusa fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities

7 Habits for a Rich and Satisfying Life

Daryl K. Anderson,2019-11-21 God has two purposes for you To believe in Jesus and then to become like Jesus This book focuses on the latter Though we cannot attain such perfection John said that followers of Jesus should live their lives as Jesus did 1 John 2 6 NLT The process of becoming like Jesus is the work of the Holy Spirit but the Spirit does not transform us without our cooperation The premise of this book is that we enable the Spirit to make us like Jesus by cultivating seven habits The seven habits are derived from Luke s description of the first church in Acts 2 42 47 Luke was an honest historian who frankly recorded the sins and strife of the early church yet this passage is thoroughly positive In it he mentions seven habits practiced by that ideal church This book describes those habits including practical suggestions for how to develop each This book is titled 7 Habits for a Rich and Satisfying Life because our heavenly Father loves us and wants what s best for us We will find fulfillment in life as we fulfill his good design for us Jesus said I came that they may have life and have it abundantly John 10 10 ESV or as it says in the New Living Translation My purpose is to give them a rich and satisfying life
