The Last Binding Trilogy Freya Marske, 2024-12-31 Bridgerton meets The Magicians in The Last Binding internationally bestselling author Freya Marske's beloved award winning queer historical fantasy trilogy set in an Edwardian England full of magic contracts and conspiracies The prose is sublime the world building top notch and the magic system is fascinating and unique TJ Klune New York Times bestselling author of The House on the Cerulean Sea A Marvellous Light When an administrative mistake sees Robin Blyth named the civil service liaison to a hidden magical society he must contend with the secrets beneath the unextraordinary reality he's always known and with Edwin Courcsey his cold and prickly counterpart in the magical bureaucracy who clearly wishes Robin were anyone and anywhere else Thrown together and facing unexpected dangers Robin and Edwin discover a plot that threatens every magician in the British Isles and a secret that more than one person has already died to keep A Restless Truth Maud Blyth expected plenty of adventure when she volunteered to serve as an old lady's companion on an ocean liner in order to help her beloved older brother unravel a magical conspiracy What she didn't expect was for the old lady in question to turn up dead on the first day of the voyage Now she has to deal with a dead body a disrespectful parrot and the lovely dangerously outrageous Violet Debenham a magician an actress and a magnet for scandal Surrounded by a ship full of suspects Maud and Violet must first drop the masks they've both learned to wear before they can unmask a murderer and get their hands on a magical object worth killing for without ending up dead in the water A Power Unbound Jack Alston Lord Hawthorn would love a nice safe comfortable life Instead he's living in a bizarre puzzle box of a magical London townhouse helping an unlikely group of friends track down the final piece of the Last Contract before their enemies can do the same And to make matters worse they need the help of writer and thief Alan Ross who happens to be everything Jack wants in one gorgeous infuriating package When a plot to seize unimaginable power comes to a head at Jack's ancestral family estate Jack Alan and their allies will become entangled in a night of champagne secrets and bloody sacrifice that will tear up the foundations of magic in Britain by the roots Stunning the writing is lush the world building is fascinating and the romance is searing hot I am completely obsessed with this story of unrepentantly dangerous people falling in love with one

Return of the Epic Film Andrew Elliot,2015-03-05 With the success of *Gladiator* both critics and scholars enthusiastically announced the return of a genre which had lain dormant for thirty years However this return raises important new questions which remain unanswered Why did the epic come back and why did it fall out of fashion Are these the same kinds of epics as the 1950s and 60s or are there aesthetic differences Can we treat *Kingdom of Heaven* 300 and *Thor* indiscriminately as one genre Are non Western histories like *Hero* and *Mongol* epics too Finally what precisely do we mean when we talk about the return of the epic film and why are they back *The Return of the Epic Film* offers a fresh way of thinking about a body of films which has dominated our screens for a decade With contributions from top scholars in the field the collection adopts a range of interdisciplinary perspectives to explore the epic film in the twenty first century
