The Last Templar:

The Last Templar Raymond Khoury, 2006-01-19 The first thrilling novel in Raymond Khoury's New York Times bestselling Templar series. In 1291 a young Templar knight flees the fallen holy land in a hail of fire and flashing sword setting out to sea with a mysterious chest entrusted to him by the Order's dying grand master. The ship vanishes without a trace. In present day Manhattan four masked horsemen dressed as Templar Knights stage a bloody raid on the Metropolitan Museum of Art during an exhibit of Vatican treasures. Emerging with a strange geared device they disappear into the night. The investigation that follows draws archaeologist Tess Chaykin and FBI agent Sean Reilly into the dark hidden history of the crusading knights and into a deadly game of cat and mouse with ruthless killers as they race across three continents to recover the lost secret of the Templars.

The Last Templar Thaddeus Jean, 2009-01-12 The story starts in Roma Italy with a faithful priest of the Vatican Abel who has been in hiding for 20 years. His twin brother Cain, a sinful genius who should have been dead years ago from cancer, finds him. With a threat on Abel's life to find a hidden treasure of the knights Templar's. The key to the secret is within the walls of the Vatican. A mysterious treasure hunt begins with Abel's mentor Father Mark. They embark on a twistful journey finding out more than they should and possibly a secret so great that the church itself does not know. The plot thickens as Abel wakes up on an off island in the middle of nowhere on Cain's island, a place of human cloning and human animal mutations are performed and tested. Abel finds himself having to make the hardest decision based on his faith and the need for vengeance that tugs on his soul. Templar, one of the original nine knights templars is found frozen in ice, is brought back to life but not a life that God gave him but one of an abomination of man. With a remarkable historical run of excitement and gripping tales from the bible the battle begins between good and evil. Treasures are needed as the stage for the Armageddon begins. As Templar gathers his team to battle evil the Nephilim Cain and the fallen angels raise their own armies. Back of book Tracers zoomed by Templar just before one slammed dead center into his chest sending him reeling head over heels 30 feet into the air. Landing on his back he finally slid to a rest in the snow. The 50 cal went silent as everyone focused on the motionless body lying just outside the gates. Abel held his breath as he watched Templar lying there. Abel zoomed in on Templar's chest to see the damage. What he saw blew his mind away. The wound was actually mending itself rapidly right before his eyes. Within seconds the injury was gone and the 50 cal round slid off his chest. Frozen and hidden by God over 700 years ago Templar is now awakened to an unfamiliar world on the brink of annihilation. Already made perfect and powerful by God his body has now been dramatically altered and endowed with man's greatest technologies. He will need all the help he can get since his new assignment includes keeping mankind from destroying the world before God brings in the last judgment.

The Last Templar's Secret Marcus Edward Bond, 2024-08-29 Introduction The ancient city of Jerusalem with its labyrinthine alleys and towering stone walls has long been a silent witness to the ebb and flow of history. Beneath its weathered streets and sacred sites lie secrets that have eluded historians, archaeologists and adventurers for centuries. Among these secrets none have captured the imagination quite like the enigmatic Order of the Knights Templar, a shadowy fraternity shrouded in myth and mystery. In the early 14th century the Templars were disbanded and persecuted, their wealth and secrets scattered to the winds. For centuries their hidden truths have fueled legends of lost treasures, forgotten relics and clandestine knowledge. But what if some of these secrets had been preserved hidden away in the depths of history waiting to be unearthed? Our story begins in the heart of this ancient city where the discovery of a centuries old crypt promises to unlock a mystery that has lain dormant for generations. As archaeologists labor to unearth the crypt's contents they stumble upon a Templar knight perfectly preserved, clutching a parchment that defies modern understanding. This seemingly innocuous artifact is a key, a cryptic puzzle that once solved could unravel the very fabric of historical and religious dogma. Enter Dr. Sophia Carter, a brilliant historian whose life's work has been dedicated to decoding the past. Known for her expertise in medieval codes and Templar lore, Sophia is summoned to Jerusalem to decipher the enigmatic parchment. Reluctant yet intrigued, she embarks on a journey that will test her intellect, challenge her beliefs and thrust her into a perilous chase across Europe. As Sophia delves deeper into the cryptic code, she finds herself entangled in a web of intrigue and danger. With the help of Gabriel Devereux, a former intelligence officer with his own mysterious connection to the Templars, she must navigate treacherous landscapes, confront shadowy adversaries and uncover a truth that could reshape the understanding of history itself. The Last Templar's Secret is a tale of hidden truths and ancient mysteries where every revelation brings new challenges and every step forward is fraught with danger. It is a story of discovery, courage and the relentless quest for knowledge that drives us to uncover the secrets of our past. As you turn the pages of this book, prepare to embark on a journey through the annals of history, through ancient catacombs and forgotten ruins, and into the very heart of a secret that has lain hidden for centuries. The adventure begins now, and the answers you seek may change everything you thought you knew about the world and yourself. Welcome.
