The Life Of The Servant

**Andrew T. Abernethy, William R.
Osborne, Paul D. Wegner**

The Life Of The Servant:

The Life of the Servant Heinrich Seuse, 1952 The Life of the Servant is one of the world's greatest religious biographies. It is the work of a saint, one of that remarkable trio of 14th century German mystics of whom the others were Eckhardt and Tauler, who was also a poet. The book was never intended for publication and owes its preservation to an accident. What Suso confided to his spiritual daughter was meant for her ears alone. In order to console a highly gifted woman in the acute sufferings that preceded her death, he unfolded his own hidden life. The value of the book lies in its remarkable simplicity coupled with its unsurpassed poetic beauty.

B. Meyer, 1996 F. B. Meyer's devotional studies on biblical characters reflect a rare depth of spiritual experience. These great figures were not so different from ourselves: sometimes weak, indifferent, willful. Yet they had their moments of faith, humility, and courage, and God was able to use these for His greater purposes. God's faithfulness, which not only accepts but transforms such inconsistency, calls us to more effective Christian living.

While many claim to offer models of leadership suitable for contemporary society, this book goes a notch higher by doing so through the prism of Jesus's servant leadership. As the servant leader par excellence, Jesus not only taught but demonstrated service by stooping down and washing his disciples' feet. This book distills the experience and wisdom of men and women who have practically benefited from Jesus's leadership. Reflective of the global church, all the authors speak of a servant leadership inspired by love, honoring of God, humble in approach, and seeking the welfare of others without neglecting a healthy self-regard. Whether you work on-site or remotely, you will find the grist for robust leadership. This book is a must-read for theologians, businesspeople, educators, students, and Christian practitioners seeking to make a difference in our times.
