The The Three Weissmanns Of Westport English Edition:

The Three Weissmanns of Westport Cathleen Schine, 2025-10-16 A New York Times Best Seller A New York Times Book Review Editors Choice Betty Weissmann has just been dumped by her husband of forty eight years Exiled from her elegant New York apartment by her husband s mistress she and her two middle aged daughters Miranda and Annie regroup in a run down Westport Connecticut beach cottage In Schine s playful and devoted homage to Jane Austen s Sense and Sensibility the impulsive sister is Miranda a literary agent entangled in a series of scandals and the more pragmatic sister is Annie a library director who feels compelled to move in and watch over her capricious mother and sister Schine s witty wonderful novel The Three Weissmanns of Westport is simply full of pleasure the pleasure of reading the pleasure of Austen and the pleasure that the characters so rightly and humorously pursue An absolute triumph The Cleveland Plain Dealer

The Silver Fork Novel Edward Copeland, 2012-06-21 In the early nineteenth century there was a sudden vogue for novels centering on the glamour of aristocratic social and political life Such novels attractive as they were to middle class readers were condemned by contemporary critics as dangerously seductive crassly commercial designed for the masses and utterly unworthy of regard Until recently silver fork novels have eluded serious consideration and been overshadowed by authors such as Jane Austen They were influenced by Austen at their very deepest levels but were paradoxically drummed out of history by the very canon makers who were using Austen s name to establish their own legitimacy This first modern full length study of the silver fork novel argues that these novels were in fact tools of persuasion novels deliberately aimed at bringing the British middle classes into an alliance with an aristocratic program of political reform **The Three**

Schine, 2025-10-16 In Cathleen Schine's comic novel *To the Birdhouse* newlywed Alice Brody appears to have the perfect life The one fly in the ointment is her mother's detestable boyfriend Louie Scifo champion of incredibly bad taste and a bona fide stalker After Alice's mother cuts him loose Louie's determination to win back her love casts Alice's whole family into disarray So Alice embarks on a mission to rid her mother of Louie once and for all in this rambunctious comedy of manners that is at once dizzying hilarious authentic and original Washington Post Book World *Fin & Lady* Cathleen Schine, 2025-10-16 From bestselling author Cathleen Schine comes *Fin Lady* a wise clever story of New York in the 60s It's 1964 Eleven year old Fin and his glamorous worldly older half sister Lady have just been orphaned and Lady whom Fin hasn't seen in six years is now his legal guardian and his only hope That means Fin is uprooted from a small dairy farm in rural Connecticut to Greenwich Village smack in the middle of the swinging 60s He soon learns that Lady giddy careless urgent and obsessed with being free is as much his responsibility as he is hers So begins *Fin Lady* the lively spirited new novel by Cathleen Schine the author of the bestselling *The Three Weissmanns of Westport* Fin and Lady lead their lives against the background of the 60s the civil rights movement and the Vietnam War Lady pursued by ardent dogged suitors Fin determined to protect his impulsive sister from them and from herself From a writer The New York Times has praised as sparkling crisp clever deft hilarious and deeply affecting *Fin Lady* is a comic romantic love story the story of a brother and sister who must form their own unconventional family in increasingly unconventional times *Wrestling with Destiny* Lucy Holmes, 2013-03-20 Can psychoanalysis help people control their destinies Using empirical evidence from neuroscience Lucy Holmes makes a powerful argument that it can This book considers the various ways in which destiny is linked to the repetition compulsion and how free association in psychoanalysis can literally change the mind in ways that can help people reshape and take

control of the future Freud's psychoanalysis is revealed here to be startlingly modern in its consonance with the latest findings in the study of the brain The compulsion to repeat can propel human beings toward destinies they would never have consciously chosen The tenacity of this human tendency can inhibit our ability to meet life's challenges These challenges include our gender an inability to master the complexities of loving and the strains of marriage fears regarding the impertinence of being successful the unconscious reptilian pleasure we derive from going to war and raping the planet and the inexorable decline and decay of our mortal flesh This book argues that the evolved talking that occurs in the psychoanalytic process can change the chemistry and structure of the brain in a way that helps the talker face these challenges and take charge of his or her own destiny The author presents a cogent hypothesis spanning brain and mind to clarify how the basic rule of psychoanalysis just say everything can actually cure This will appeal to mental health professionals such as psychoanalysts and psychotherapists and students at the post graduate level as well as the general interested reader
