

A Black man with short, dark, curly hair and a light beard is smiling broadly at the camera. He is wearing a dark-colored short-sleeved button-down shirt with a fine, light-colored geometric pattern. A gold chain with a rectangular pendant hangs around his neck. A black name tag is pinned to his left chest. He is also wearing a gold bracelet on his right wrist and a silver smartwatch on his left wrist. The background is a blurred office setting with white shelves.

Ex-Boyfriend's Favorite Recipe Funeral Committee Saki Kawashiro,2025-10-14
What ingredients do you need to cure a broken heart? This soul-nourishing comfort read is for anyone who has loved and lost and wants to love again. Twenty-nine-year-old Momoko has been tragically dumped. She thought her boyfriend was her soulmate. She believed he was going to propose. Instead, he broke things off at a love hotel. So Momoko does what many broken-hearted people do: she gets incredibly drunk. So drunk that she passes out in a nearly empty café. When she awakens, she's eager to tell her story to anyone who will listen and pours her heart out to a curious manager and the sole other customer in the café: a Buddhist monk in training. As Momoko describes how she doted on her ex and how he loved her cooking, the manager decides to indulge her by allowing her to slip into the kitchen and cook up her former beau's favorite dish: a warm, delightful butter chicken curry. As Momoko finishes telling her story, she realizes that this combination of cooking and sharing has stopped the flow of her constant tears. And the manager has a brilliant idea: What if they started doing this regularly, inviting patrons to share stories about heartbreak while cooking dishes that held significance in their relationships? Thus, an unconventional therapy group, the Ex-Boyfriend's Favorite Recipe Funeral Committee, is born. Based on the author's viral heartbreak story, this is a charming novel with recipes about a woman who uses the power of a warm meal to bring together the fellow lonely hearts in this small suburb of Tokyo. **Ex-Boyfriend's Handbook** Matt Dunn,2010-11-01
Funny, moving, and a guaranteed page-turner.

Brilliant. Mike Gayle, author of *Mr. Commitment*. It's not me, it's you. After ten years, Jane's had enough of Edward Middleton. You've let yourself go, she tells him. So I'm letting you go, too. Determined to get her back, Edward realizes he must learn how to make women want him again. But right now, he's the kind of man who puts the ex in sexy. One thing is certain: if he's going to be Jane's Mr. Right, he needs to turn himself around. From Atkins to Waxing, Edward begins working his way through the makeover alphabet. But is a change in appearance what Jane really wants? Can cuddly Teddy really become sexy Eddie? Or is there more to the dating game than meets the eye? *The Ex-Boyfriend's Handbook* gives a real insight into the different ways men and women think. Prima. *A Submissive to My Ex-Boyfriend's Dad* Favoi Lily,2025-06-27

From African American pimps in the United States and Eastern European migrants in Germany to Brazilian cafet os and cafetinas, this volume features the lives and voices of the men and women who enable diverse and culturally distinct sex markets around the world. In scholarly, popular, and policy making discourses, such individuals are typically viewed as larger than life hustlers, violent predators, and brutal exploiters. However, there is actually very little empirical research-based knowledge about how pimps and third party facilitators actually live, labor, and make meaning in their everyday lives. Nearly all previous knowledge derives from hearsay and post hoc reporting from ex sex workers, customers, police, and government agents, neighbors, and self-aggrandizing fictionalized memoirs. This volume is the first published compilation of empirically researched data and analysis about pimps and third parties working in the sex trade across the globe. Situated in an age of highly punitive and ubiquitous global anti-trafficking law, it challenges highly charged public policy stereotypes that conflate pimping and sex trafficking in order to understand the lived experience of pimps and the men and women whose work they facilitate.

Vallas, 2017-12-08 This volume presents original theory and research on precarious work in various parts of the world identifying its social political and economic origins its manifestations in the USA Europe Asia and the Global South and its consequences for personal and family life

Love and Work Mieke Polderman, 2014-09-01 Is there interaction between love and work If so in what ways does it appear The main incentive for this research is the notable increase of American and Dutch people who wish to spend more and more of their time working and who feel useless and robbed of their identity when separated from their jobs It seems that work is considered more fulfilling and satisfying than love which can be undermined by failing relationships tension depression violence addiction crime or angry and unmanageable children Whereas Proust described love in a milieu where most of the work was done by servants and artists Freud was convinced that love and work were the two main pillars of society This view has been echoed by psychologists sociologists philosophers and novelists However a new phenomenon is that men and women share love and work Finding the right balance between the two is a hot topic in how to books newspaper and magazine articles but the underlying connections have received little if any scrutiny In fact it may well be a mission impossible since as the Frankfurt School asserted the capitalist powers in search of profit urge politicians to lure men women and children onto the work floor by telling them work is a duty that not only will provide disposable income but also happiness and fulfillment in life Hence people internalize this message without asking themselves why continuous consumption is more important than giving and receiving love which they crave but seldom find Although focusing on middle class people between the ages of twenty five and forty who are travelling the highway of life have paid jobs a relationship of at least three years and children this study should be of interest to everyone
