Solberg,2018-12-15 In Virgin Whore Emma Maggie Solberg uncovers a surprisingly prevalent theme in late English medieval literature and culture the celebration of the Virgin Mary s sexuality Although history is narrated as a progressive loss of innocence the Madonna has grown purer with each passing century Looking to a period before the idea of her purity and virginity had ossified Solberg uncovers depictions and interpretations of Mary discernible in jokes and insults icons and rituals prayers and revelations allegories and typologies and in late medieval vernacular biblical drama More unmistakable than any cultural artifact from late medieval England these biblical plays do not exclusively interpret Mary and her virginity as fragile In a collection of plays known as the N Town manuscript Mary is represented not only as virgin and mother but as virgin and promiscuous adulteress dallying with the Trinity the archangel Gabriel and mortals in kaleidoscopic erotic combinations Mary s virginity signifies invulnerability rather than fragility redemption rather than renunciation and merciful license rather than ascetic discipline Taking the ancient slander that Mary conceived Jesus in sin as cause for joyful laughter

the N Town plays make a virtue of those accusations through bawdy yet divine comedy she redeems and exalts the crime By revealing the presence of this promiscuous Virgin in early English drama and late medieval literature and culture in dirty jokes told by Boccaccio and Chaucer Malory s Arthurian romances and the double entendres of the allegorical Mystic Hunt of the Unicorn Solberg provides a new understanding of Marian traditions [The Secret Teachings Of All Ages](#) Manly P. Hall,2025-06-24 Manly P Hall s The Secret Teachings of All Ages is a monumental synthesis of esoteric wisdom occult philosophy and spiritual tradition first published when Hall was just 27 years old and now widely regarded as one of the most comprehensive volumes of mystical scholarship ever compiled Spanning ancient Egypt Greece and Rome to medieval alchemy Renaissance magic and modern secret societies Hall s encyclopedic work explores the symbols rituals and doctrines of Masonic Hermetic Qabbalistic Rosicrucian and Theosophical traditions Lavishly illustrated and rich in references the book decodes a universe of hidden meaning sacred geometry tarot astrology mythology the mystery schools and spiritual initiation arguing that all these seemingly disparate systems point toward a single metaphysical truth With poetic clarity and philosophical ambition Hall seeks to recover the perennial wisdom that lies beneath surface religion and science alike He guides readers through the allegories of Plato the symbolism of Gothic cathedrals the secrets of the pyramids and the inner meanings of Biblical texts all with a reverence for the spiritual potential of the human soul More than just a reference text it is a spiritual manual for seekers mystics and scholars eager to understand the hidden architecture of consciousness The

Secret Teachings of All Ages remains an essential volume for anyone drawn to the mystical the philosophical and the eternal questions that transcend dogma and speak to the soul **The Secrets of Apostolic Success** Oppong Kyekyeku,2022-04-19

It is certainly clear to every believer the distinction between the early church and our contemporary church Spiritually speaking it seems we are serving a different God or Christ For example the early church evangelized extensively but now especially the western churches are sleeping excessively They healed the sick but now the church folks are sick with all kinds of diseases without cure They cast out evil Spirits but now there are evil Spirit possessors in the church more than ever before They were sufficient in every spectrum of life but now the church members are deficient in every spectrum of life They shared everything with each other but now Christians are keeping everything for themselves even tithes They were selfless with the attitude of putting others first but now the church folks are selfish with the attitude of me I and myself first They were willing to die for Christ at any cost but now Christians want Christ to die for them again for no cost Finally they turned their world upside down but now the world is turning the church upside down The church needs to wake up otherwise our next generation will suffer the defeat of apostasy as the children of Israel suffered after the death of Joshua This book is meant to assure you that you have all that it takes by the grace God has given to you through Jesus Christ to do exactly what the apostles did aEURoeAll things are possible aEUR Absolutely nothing is impossible to you if you put your faith in Christ Jesus into action as others did This is your moment while everyone is sleeping or ignoring authentic supernatural power since challenges produce champions *Secrets of the Secret Place Legacy Edition* Bob Sorge ,2020-07-29 Secrets is a timeless classic an unparalleled resource for fueling your devotional prayer life This book is must reading for anyone wanting fresh momentum in their quiet time with Jesus It defuses common struggles equips and inspires fervency for Jesus 52 short chapters This Legacy Edition is rewritten and polished for posterity Even if you have the first edition get this one

The Virgin of Guadalupe and the Conversos Marie-Theresa Hernández, 2014-07-15 Hidden lives hidden history and hidden manuscripts In The Virgin of Guadalupe and the Conversos Marie Theresa Hern ndez unmasks the secret lives of conversos and judaizantes and their likely influence on the Catholic Church in the New World The terms converso and judaizante are often used for descendants of Spanish Jews the Sephardi or Sefarditas as they are sometimes called who converted under duress to Christianity in the fourteenth and fifteenth centuries There are few if any archival documents that prove the existence of judaizantes after the Spanish expulsion of the Jews in 1492 and the Portuguese expulsion in 1497 as it is unlikely that a secret Jew in sixteenth century Spain would have documented his allegiance to the Law of Moses thereby providing evidence for the Inquisition On a Da Vinci Code style quest Hern ndez persisted in hunting for a trove of forgotten manuscripts at the New York Public Library These documents once unearthed describe the Jewish Christian religious beliefs of an early nineteenth century Catholic priest in Mexico City focusing on the relationship between the Virgin of Guadalupe and Judaism With this discovery in hand the author traces the cult of Guadalupe backwards to its fourteenth century Spanish origins The trail from that point forward can then be followed to its interface with early modern conversos and their descendants at the highest levels of the Church and the monarchy in Spain and Colonial Mexico She describes key players who were somehow immune to the dangers of the Inquisition and who were allowed the freedom to display albeit in a camouflaged manner vestiges of their family s Jewish identity By exploring the narratives produced by these individuals Hern ndez reveals the existence of those conversos and judaizantes who did not return to the covenantal bond of rabbinic law who did not publicly identify themselves as Jews and who continued to exhibit

in their influential writings a covert allegiance and longing for a Jewish past This is a spellbinding and controversial story that offers a fresh perspective on the origins and history of conversos *Secrets of Forbidden Love* Cándida R.
