Temporary Contingent Tosaudi 2015:

Saudi Arabian Foreign Policy Neil Partrick, 2016-02-23 As the only oil producer with sufficient spare capacity to shape the world economy Saudi Arabia is one of the most significant states in twenty first century geopolitics Despite the enormous potential for Saudi Arabia to play a more robust regional and international role the Kingdom faces serious internal and external challenges in the form of political incapacity and competition with states such as Iran In this examination of Saudi Arabia s foreign policy Gulf expert Neil Partrick and other regional analysts address the Kingdom s relations in the Middle East and wider Islamic world and its engagement with both established and emergent global powers In doing so he analyses the factors ranging from identity politics to Iranian acquisition of nuclear weapons that determine the Kingdom s foreign policy As Saudi Arabia prepares for a generational shift brought about by an ageing leadership the rapidly changing balance of power in the Middle East offers both great opportunity and great danger For students of the Middle East and international relations understanding Saudi Arabia s foreign policy and its engagement with the region and the world is more important than ever *Accountability for Mass Starvation* Bridget Conley, Alex De Waal, Catriona Murdoch, Wayne Jordash QC, 2022

This volume explores how famine and mass starvation in our lifetime are the result of man made policies and invariably occur during times of armed conflict It provides expert analysis on defining starvation early warning systems gender and mass starvation the use of sanctions reporting on and memory of famine *Negotiating Domination* Mohammed Hossain

Sarker, 2025-11-01 This book explores the remarkable agency and resilience of live in women Migrant Domestic Workers MDWs By delving into the lived experiences of Bangladeshi women in the Saudi Arabian migration corridor it provides an insightful representation of the struggles and strategies employed by approximately 8.45 million women domestic workers globally Unlike traditional literature that underscores exploitation and forced labor this book uniquely captures the diverse strategies MDWs utilize to navigate and overcome the pervasive power asymmetries and constraints in their employment relationships Through detailed accounts of everyday resistance coping mechanisms persuasive tactics and small scale confrontations the book challenges prevailing perceptions and offers a fresh perspective on MDWs agency Drawing on the experiences of 50 returnee MDWs this comprehensive book is a vital resource for scholars researchers policymakers and development partners in migration studies It invites readers to rethink the conventional portrayal of MDWs acknowledging their strength and ingenuity in the face of adversity and offering a nuanced understanding of their complex realities *The*

Routledge Handbook of Digital Media and Globalization Dal Yong Jin, 2021-05-12 In this comprehensive volume leading scholars of media and communication examine the nexus of globalization digital media and popular culture in the early 21st century The book begins by interrogating globalization as a critical and intensely contested concept and proceeds to explore how digital media have influenced a complex set of globalization processes in broad international and comparative contexts Contributors address a number of key political economic cultural and technological issues relative to globalization such as

free trade agreements cultural imperialism heterogeneity the increasing dominance of American digital media in global cultural markets the powers of the nation state and global corporate media ownership By extension readers are introduced to core theoretical concepts and practical ideas which they can apply to a broad range of contemporary media policies practices movements and technologies in different geographic regions of the world North America Europe Africa the Middle East Latin America and Asia Scholars of global media international communication media industries globalization and popular culture will find this to be a singular resource for understanding the interconnected relationship between digital media and globalization

Challenges for America in the Middle East Richard W. Mansbach, Kirsten L. Taylor, 2016-03-31 Challenges for America in the Middle East offers a comprehensive and contemporary analysis of the foreign policy challenges the United States faces in the Middle East It takes a close look at the critical policy dilemmas posed by radical Islam the Arab Spring the Shia Crescent and Israel Palestine relations Authors Richard W Mansbach and Kirsten L Taylor examine the issues from a historical perspective and in the context of the current state of affairs and analyze options for future action Throughout the text they emphasize the interplay of foreign and domestic issues in the United States and overseas and show how that interplay shapes American policy towards the region

Psychological determinants of entrepreneurial intentions and behaviors Bostjan Antoncic, Jasna Auer Antoncic, Robert D. Hisrich, 2023-06-07 *Knowledge, Power, and Migration*

Yasmeen Abu-Laban, Mireille Paquet, Ethel Tungohan, 2025-06-17 As the field of migration studies has grown the asymmetrical relationship between researchers in the Global North and in the South has produced a body of work that centres the concerns of the former Those from the Global North and wealthier countries continue to produce the greater portion of this research while research from Global South scholars with lived experiences as migrants is received as anecdotal or too niche to have universal application Knowledge Power and Migration assembles researchers from across the divide to question the ways in which research practices can change the conversation on immigration It encourages a necessary curiosity about how scholarship in the field can shape global social and epistemic justice Migration is a constant in human history but the sharp decline in permanent resettlement options increasingly selective criteria and violent enforcement measures of the twenty first century constitute a crisis of immigration policy Only by redressing the inequalities it shares with global governance structures can the discipline confront this historic challenge Research on immigration can occasion reflections and practices that challenge epistemic injustices Knowledge Power and Migration contributes to this ongoing project while offering insights on the practical organization of new forms of dialogue on migration in a largely unequal world
