

3. Cover the converter hub opening and the final drive housing to prevent dirt from entering. Take the transmission itself to the workbench.

NOTE —

A special stand is used in Authorized VW Dealers' shops to hold the transmission while the transmission case and final drive housing are separated and to hold the transmission for subsequent repair.

10.2 Disassembling and Assembling Automatic Transmission

Study Fig. 10-2 carefully so that you become familiar with the correct names for the various parts. These names will be referred to frequently on the following pages. The illustration also shows the order in which you will remove the planetary gearset and related parts from the transmission case. Keep them in order for future assembly.
