The Joyce of Everyday Life Vicki Mahaffey,2024-09-13 Winner of the American Conference on Irish Studies Robert Rhodes Prize for Books on Literature Part of James Joyce s genius was his ability to find the poetry in everyday life For Joyce even a simple object like a table becomes magical a board that was of the birchwood of Finland and it was upheld by four dwarfmen of that country but they durst not move more for enchantment How might we learn to regain some of the child like play with language and sense of delight in the ordinary that comes so naturally to Joyce The Joyce of Everyday Life teaches us how to interpret seemingly mundane objects and encounters with openness and active curiosity in order to attain greater self understanding and a fuller appreciation of others Through a close examination of Joyce s joyous musical prose this book shows how language provides us with the means to revitalize daily experience and social interactions across a huge diverse and everchanging world Acclaimed Joyce scholar Vicki Mahaffey demonstrates how his writing might prompt us to engage in a different kind of reading treating words and fiction as tools for expanding the boundaries of the self with humor and feeling A book for everyone who loves language The Joyce of Everyday Life is a lyrical romp through quotidian existence
