Black Tide Rising: The Graphic Novel John Ringo, Chuck Dixon, 2023-05-02 New York Times Bestseller John Ringo's Epic Zombie Series Adapted by Comics Legend Chuck Dixon A THRILLING ADAPTATION OF THE BEST SELLING BLACK TIDE RISING SERIES The media calls it the Pacific Flu The CDC calls it H7D3 and it spreads like wildfire The virus combines the worst symptoms of Rabies and the common Flu and is suspected to be man made The first reports of feral cannibalistic zombie like symptoms were met with disbelief and skeptical amusement but nobody's laughing now Scientists backed by the world's governments and its wealthiest institutions race against the clock to develop a cure as infections rise and cities fall A glimmer of hope appears as a vaccine is discovered but its production requires harvesting the spinal tissue of the infected a grim task that tests the limits of human morality With no other choices apparent time is quickly running out before hordes of infected overwhelm the last remaining bastions of civilization In the first days of the outbreak a college history professor receives a cryptic warning from a trusted source Its baffling yet unmistakable message translates as PACK UP GET OUT AND GO NOW Steve Smith and his family don't waste any time they leave their normal comfortable lives behind to get ahead of the inevitable panic and survive the end of the world At the publisher's request this title is sold without DRM Digital Rights Management BLACK TIDE RISING SERIES Under a Graveyard Sky To Sail a Darkling Sea Islands of Rage and Hope Strands of Sorrow Black Tide Rising Voices of the Fall We Shall Rise At the End of the World At the End of the Journey The Valley of Shadows River of Night Praise for Black Tide Rising The Graphic Novel A badass tale of the apocalypse told John Ringo style with an extra dose of awesome from Chuck Dixon It isn't just about the end of the world it's about what it takes to come out the other side Larry Correia So you think you've read every kind of zombie tale to be told Wrong Chuck Dixon and team pull out all the stops with Black Tide Rising and twist the genre on its ear by populating the story with characters you actually care about That's almost sacrilege With Santacruz and Smith on the art chores this is a must have for the horror and zombie fan Your library is naked without it Graham Nolan Black Tide Rising would seem fantastical except the last few years have proved otherwise Illustrates the importance of free thinkers being prepared being vigilant and having a plan I want to be in the movie Dean Cain Delivers all the zombie action fans crave plus sly allusions to a western culture that has lost its way Even better Some eye popping panels you'll want to blow up and frame for your movie room Christian Toto A terrific graphic novel that serves as both an allegory for our current COVID nonsense as well as graphically pardon the pun depicting what a real viral pandemic would look like Black Tide Rising strikes a blow for individual liberty and freedom which is the only thing that stands in the way of the tyranny we are seeing established in the West after its murderous run in Europe and the Far East Nick Searcy About Black Tide Rising anthology an entertaining batch of action packed tales Certainly fans of Ringo's particular brand of action adventure will be pleased Booklist This anthology broadens Ringo's Black Tide world serving up doses of humanity amid the ravenous afflicted Comedy has a place in this harsh reality and these stories stir adventure and
