The Diagnosis of Writing in a Second or Foreign Language Ari Huhta, Claudia Harsch, Dmitri Leontjev, Lea Nieminen, 2023-07-07. The Diagnosis of Writing in a Second or Foreign Language is a comprehensive survey of diagnostic assessment of second foreign language SFL writing. In this innovative book a compelling case is made for SFL writing as an individual contextual and multidimensional ability combining several theoretically informed approaches upon which to base diagnosis. Using the diagnostic cycle as the overarching framework the book starts with the planning phase, cover design, development and delivery of diagnostic assessment ending with feedback and feed forward aspects to feed diagnostic information into the teaching and learning process. It covers means to diagnose both the writing processes and products including the design and development of diagnostic tasks and rating scales as well as automated approaches to assessment. Also included is a range of existing instruments and approaches to diagnosing SFL writing. Addressing large scale as well as classroom contexts this volume is useful for researchers, teachers and educational policy makers in language learning.
