Happy 2015 Time really flies and we're already on our fifth issue of the easyuni.com Ultimate University Guidebook. The start of every year is a time filled with optimism, hopes and aspirations. It's when plans and resolutions are made to achieve new breakthroughs and success. What's sad though is most people fail to realize their goals by giving up, not working hard enough or even not having the courage to see through hard times. For the most part though it's due to not being 100% absolutely clear on your goals and knowing what to do to achieve them. That's why easyuni.com was born to help students make the best possible decision for possibly the most important decision in their life: knowing what and where to study. We're super excited with our first issue of 2015 and hope it gets you pumped up to achieve your goals, face new challenges, head on, grow and discover just how awesome you are. In this issue you definitely want to check these out: Music fans can check out how to be a superstar, music teacher, college life stressing you out. Read up on some cool and creative ways to stay stress-free and kick butt in college. See how being a hero online gamer can possibly earn you some serious moolah. Yeah, we're awesome like that to go out of our way to give you best advice to have a rocking college life. And many more cool stuffs on school scholarships and some cool tips on how to ace your classes. Psst, we're cooking something super top secret and exciting for April's issue and because we love our student readers so much, here's a tiny teaser: it's bloody ace, mate, and gonna be epic. Hint: note the colloquialism and you may have an idea. Wishing you a rocking 2015 and hoping you enjoy this issue. Edwin Tay, CEO.

Transforming Higher Education Through Universal Design for Learning Seán Bracken, Katie Novak, 2019-02-21. Providing insight into the background, theory and practical applications of Universal Design for Learning (UDL). Transforming Higher Education through Universal Design for Learning: An International Perspective examines and shares best practice in UDL implementation worldwide to provide strategies for strengthening student accessibility, engagement and learning outcomes through the development of flexible learning environments. Drawing upon insightful research-based contributions from educators and student service specialists in Australia, Belgium, Brazil, Canada, Ireland, Israel, Norway, South Africa, Spain, the UK and all across the USA, this book considers diversity in the form of disability, minority, ethnic groups, gender identities, first generation university students and varying socio-economic backgrounds. It brings together key thinkers and actors in the field of UDL and expertly maps its practices to the higher educational domain. It explores the multiple means of representation, expression and engagement that combine to create a successful UDL framework. Each chapter not only provides a different perspective of how UDL has helped meet the needs of all students to ensure that education is accessible, culturally responsive and socially just, but also considers how this can then be implemented into higher education environments the world over. This book is a crucial read for those who want to make a positive difference in higher education provision and outcomes.

Sustainable Development in Africa Walter Leal Filho, Rudi Pretorius, Luiza Olim de Sousa, 2021-07-09 This book serves the purpose of documenting and promoting African experiences on sustainable development which encompasses both formal and non formal education Sustainable development is very important to Africa but there is a paucity of publication which documents and promotes experiences from African countries Due to their complexity the interrelations between social economic and political factors related to sustainable development especially at universities need to be better understood There is also a real need to showcase successful examples of how African institutions are handling their sustainability challenges It is against this background that this book has been produced It is a truly interdisciplinary publication useful to scholars social movements practitioners and members of governmental agencies and private companies undertaking research and or executing projects focusing on sustainability from across Africa As African nations strive to pursue the UN Sustainable Development Goals it is imperative to cater for the information needs seen across the continent and foster the

dissemination of experiences and case studies which may support both on going and future efforts The scope of the book is deliberately kept wide and we are looking for contributions across the spectrum of sustainable development from business and economics to arts and fashion administration environment languages and media studies

Advancing Online Course Design and Pedagogy for the 21st Century Learning Environment Chatham, Daniel, 2021-01-08 The current learning environment is substantially different than what existed for most of the 20th century Learners and teachers today must navigate in perpetually changing contexts where education is influenced by technological advancement and obsolescence economic barriers a changing employment landscape and even international politics Studies indicate that employers seek to hire graduates with strong skills in areas coalescing around international awareness creativity communication leadership and teamwork Skills and experiences in these areas are necessary preparation for the current economy and to pursue jobs that do not exist yet while providing some insulation against the obsolescence of industries that lack these characteristics These interpersonal skills are not often the subject of students degrees yet there are opportunities in online education to cultivate them With increased interest in new career options comes the need to reconsider how to teach subjects in the increasingly online environment Advancing Online Course Design and Pedagogy for the 21st Century Learning Environment is a critical reference book that navigates today s dynamic education requirements and provides examples of how online learning can foster growth in skill areas necessary for career advancement through effective course design Moreover it helps educators gain insight into online pedagogy and course design for the 21st century learner and prepares them to convert traditional courses and enhance existing online courses thereby supporting students growth and development in the highly dynamic online learning environment Focusing on specific learning activities assessments engagement communication techniques and more this book provides a valuable resource for those seeking to upgrade teaching and learning into the online environment those that seek better employment outcomes for their students and those seeking to explore contemporary online course design strategies or examples This includes teachers instructional designers curriculum developers academicians researchers and students

Fees Must Fall Susan Booysen, 2016-10-01 This book explores the student discontent a year after the start of the 2015 South African FeesMustFall revolt FeesMustFall the student revolt that began in October 2015 was an uprising against lack of access to and financial exclusion from higher education in South Africa More broadly it radically questioned the socio political dispensation resulting from the 1994 social pact between big business the ruling elite and the liberation movement The 2015 revolt links to national and international youth struggles of the recent past and is informed by black consciousness politics and social movements of the international left Yet its objectives are more complex than those of earlier struggles The student movement has challenged the hierarchical top down leadership system of university management and it s double speak of professing to act in workers and students interests yet entrenching a regressive system for control and governance University managements while on one level amenable to change have also co

opted students into their ranks to create co responsibility for the highly bureaucratised university financial aid that stands in the way of their social revolution This book maps the contours of student discontent a year after the start of the FeesMustFall revolt Student voices dissect colonialism improper compromises by the founders of democratic South Africa feminism worker rights and meaningful education In depth assessments by prominent scholars reflect on the complexities of student activism its impact on national and university governance and offer provocative analyses of the power of the revolt *Financial Inclusion and Digital Transformation Regulatory Practices in Selected SADC Countries* Howard Chitimira,Tapiwa Victor Warikandwa,2023-03-28 This book investigates the regulation and promotion of financial inclusion and provides a comparative analysis of the regulation promotion and enforcement of the relevant laws in the SADC in particular South Africa Namibia Botswana and Zimbabwe as well as the challenges of financial inclusion In turn it evaluates financial inclusion in the context of specific challenges faced by unbanked and underbanked customers who are easy targets for cyber criminals because they tend to have lower levels of digital literacy The book presents novel discussions that identify the challenges and flaws associated with the enforcement of financial inclusion laws and related measures intended to promote financial inclusion in the SADC region This is primarily done in order to reveal the current strengths and weaknesses of financial inclusion laws in relation to certain aspects of the companies securities and financial markets in the region For example there is no common financial inclusion instrument law that is effectively and uniformly applied throughout the SADC This has impeded the enforcement authorities efforts to effectively combat financial exclusion across the region The book is likely the most comprehensive study to date on the regulation and promotion of financial inclusion in the SADC region and fills a major gap in SADC and African legal jurisprudence As such it offers a valuable asset for policymakers attorneys bankers securities share holders and other market participants who deal with financial inclusion as well as undergraduate and graduate students interested in the topic **ECEL 2019 18th European Conference on e-Learning** Rikke Ørngreen,Bente Meyer,Mie Buhl ,2019-11-07 **Sexual and Reproductive Health of Women** Pradip Chouhan,Avijit Roy,Nanigopal Kapasia,Jayanta Das,Margubur Rahaman,2025-01-31 The book offers readers a nuanced understanding of sexual and reproductive rights health status associated concerns and policy critiques within the context of South Asia While sexual and reproductive health issues are prevalent worldwide the severity and underlying drivers vary across regions South Asia identified as a hotspot for vulnerability in sexual and reproductive health currently lacks comprehensive coverage of existing global perspectives on the subject Intended as a comprehensive guide to understanding the sexual and reproductive health complexities reproductive morbidity and multifaceted health policies of women in South Asia this book will examine menstrual health as well as changing fertility behaviours among women It will provide in depth case studies on demand family planning birth control and pressing issues of women s health perspectives The book highlights the wide range of sexual and reproductive health morbidities including maternal health complications eclamptic maternal death sexually

transmitted diseases infected diseases and health disparity among reproductive women Adopting advanced quantitative techniques in the social sciences and GIS modeling this book offers a unique and insightful look at women s reproductive health and its implications for shaping health policies
