Unit 6: Global Migrations of 1750-1900

Use [THIS](#) presentation to complete this handout.

Part 1: Topics

Instructions: Read through the Topic 6.6 on Global Migrations, paying special attention to key vocabulary and concepts.

1. After reading the topics, summarize some of the reasons that global migrations occurred in the 1750-1900 time period: **Some of the reasons that global migrations occurred in the 1750-1900 time period were search for work, slavery and development of transoceanic empires and capitalism. The new global capitalist economy relied on coerced and semi-coerced labor which included slavery, indentured servitude and convict labor.**
2. How do you think industrialization played a role in increased migrations in this time period? **I think that industrialization played a role in increased migrations in this time period because factories were used for manufacturing goods at this time and employment was needed so it attracted many immigrants.**
3. How did environmental factors play a role in increased migrations in this time period? **Environmental factors played a role in increased migrations in this time period because of limited natural resources, pollution, temperature, disease, famine, availability of natural resources and suitable or favorable land for humans.**
4. How do you think global capitalism played a role in increased migrations during this time period? **I think that global capitalism played a role in increased migrations during this time period because new capitalist economies relied on coerced and semi-coerced labor resulting in many immigrants doing forced labor.**

Part 2: Migration Factors

5. Describe PUSH factors in your own words.	Push factors are factors that usually cause the people living in an area to want to get out of it.
