LOVE MY PEOPLE Timeless Secrets Volume 1 Drs Jay & Meridel Rawlings, 2015-03-26 Faith is an incredible journey sometimes stranger than fiction In this first volume of the Timeless Secrets series Jay and Meridel highlight their first decades as they move from being quiet Canadians to world travelers and lovers of Israel They are honest about the challenges they meet when pulling up their Canadian roots going against the status quo and following their dreams into the volatile Middle East Israel has been the focal point of their lives for the last 46 years You are invited to join them on their journey of faith and trust in the God of Israel Love, Sex, & Marriage Volume 1 Barrington O. Burrell Ph.D, 2013-04-09 This is a valuable book on the topical subjects of love sex and marriage from a practical Christian perspective The author uses clear understandable language to point out the God given purpose of sex in marriage and some of the potential dangers of sexual abuse He explores the early beginnings of new born babies and their subsequent growth over the years to puberty and adolescence Teenagers are like strangers in a foreign country They are experiencing a difficult period of transition between childhood and adulthood At this crucial stage of their development young people have a keen interest in fashion music and sex Many are sexually active and some begin to think about marriage and family life although they often confuse love with lust and they are not mature enough to assume the responsibility of parenthood Revelation Exegetical Commentary - 2 volume set Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursions on important topics of theological and historical interest Best Life , 2008-06 Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life *Bulletin of the Atomic Scientists* , 1955-04 The Bulletin of the Atomic

Sexuality Juli Slattery,2025-07-01 The purpose of our sexuality is not self discovery but to understand God s love Christians are confused about God s views on sex and intimacy We don t know what to do with our temptation shame brokenness longings or desires Even Christian churches and families are divided in the nuances of sexuality neglecting Jesus call to be unified as His body Surrendered Sexuality provides a clear biblical understanding of our sexuality and the transformational power of Christ Readers discover how Jesus gave His life not primarily to change behavior but to renew our identity which is rooted in our union with Christ not our wounds feelings desires past or present sins or purity We re living amid tremendous cultural confusion and pain But we won t be able to offer life and hope without the fire of God s love first passing through us Juli provides the biblical wisdom and encouragement we all need *Renaissance and Reformation* Anthony Levi,2004-01-01

This book presents a revisionist examination of the development of European intellectual culture between the high middle ages and 1550 It draws particular attention to the roles of Marsilio Ficino and Erasmus and analyzes major aspects of the work of Aquinas Soctus and Ockham before moving on to Petrarch Valla Pico della Mirandola the devotio moderna More Luther Calvin and their contemporaries It establishes radically new perspectives on the Renaissance and the Reformation and on the continuity between them It is an important work and sets forth new constructs about Renaissance and Reformation that must be considered Marion Leathers Kuntz American Historical Review Levi s skillfully navigated intellectual journey is a tour de force Choice A refreshingly broad vision of the period Times Literary Supplement A massive and learned work A great wealth of learning History Reviews of New Books Family Transformed Steven M. Tipton,John WitteJr.,2005-11-18 Statistics on the American family are sobering From 1975 to 2000 one third of all children were born to single mothers and one half of all marriages ended in divorce While children from broken homes are two to three times more likely to develop behavioral and learning difficulties two parent families are not immune to problems The cost of raising children has increased dramatically and married couples with children are now twice as likely as childless couples to file for bankruptcy Clearly the American family is in trouble But how this trouble started and what should be done about it remain hotly contested In a multifaceted analysis of the current state of a complex institution Family Transformed brings together outstanding scholars from the fields of anthropology demography ethics history law philosophy primatology psychology sociology and theology Demonstrating that the family is both distinctive in its own right and deeply interwoven with other institutions the authors examine the roles of education work leisure consumption legal regulation public administration and biology in shaping the ways we court and marry bear and raise children and make and break family bonds International in approach this wide ranging volume situates current American debates over sex marriage and family within a global framework Weighing mounting social science evidence that supports a continued need for the nuclear family while assessing

the challenges posed by new advocacy for same sex marriage and delegalized coupling the authors argue that only by reintegrating the family into a just moral order of the larger community and society can we genuinely strengthen it This means not simply upholding traditional family values but truly grasping the family s growing diversity sustaining its coherence and protecting its fragility for our own sake and for the common good of society *Index Medicus* ,2001

Marriage After Modernity Adrian Thatcher,1999-09 For most Christians marriage is considered a sacrament created and uniquely blessed by God Yet the theology of marriage rarely matches the actual experience Marriage is too often a violent loveless institution and it is increasingly delayed avoided or terminated Marriage After Modernity offers new hope for Christian marriage at a time of unprecedented social and theological change It provides an unreserved commendation of Christian marriage reaffirming its status as a sacrament and institution of mutual self giving At the same time it breaks new ground It draws on earlier traditions of betrothal and informal marriage to accept some forms of pre marital cohabitation and provides a new defense of the link between marriage and procreation by sketching a theology of liberation for children Chapters shed new light on divorce and legitimate theological grounds for the parting of the ways contraception and the question of whether marriage is a heterosexual institution Particular attention is paid throughout the book to overcoming the androcentric bias of much Christian thought and the distorting effect it has had on marriage Marriage After Modernity argues for a vision of marriage which does not abandon its history and which draws upon its premodern roots to grapple with our current social cultural and intellectual upheavals
