Unit 1 Reflection

Dear Dad,

Greeting from Mars, Dad! I know it has been so very long since we have been able to touch base, but I have been lucky enough to have an opportunity to send you this letter. I hope you all know that I miss you dearly, and will hopefully be back home soon. Being on this little red planet has been quite the experience, so I figured I should tell you all about it! The shift from our busy town, to the vast desolate lands here has been a change that I was not prepared for coming into this. Upon arrival, we discovered a greenhouse, and observatory, and a tunnel to an underground colony. Here we discovered dormitories, a water treatment plant, and a virtual reality lab, there were so many opportunities to learn!

Fabian and Linassa began taking me through all sorts of different lessons, where I would have to go around the colony to learn about new space related subjects. From the phases of the moon to constellations! I started to feel like an astro-genius! The lessons were off the charts when it came to their detail. For some, I was in the VR lab, where it felt like what I was learning about was truly in front of me. For others, I would play various games to put the building blocks
