The Opioid Crisis David E. Newton, 2018-07-11 A comprehensive overview of opioid use throughout human history current problems surrounding opioid abuse and suggested approaches to solving these problems Dependence on opioids has grown into an epidemic its effects felt globally and most of all in the United States The Opioid Crisis A Reference Handbook provides a detailed and accurate history of opioid use helping readers to understand how the crisis developed as well as a review of problems arising out of this crisis and some of the solutions that have been proposed The volume additionally comprises ten essays from individuals who have a personal or educational connection to the crisis and short biographical and explanatory essays on important individuals and organizations working to mitigate the opioid crisis by supporting research of the biological systems implicated in opioid dependence and raising awareness of the challenges of addiction in America today It also provides resources for readers who want to continue their study of the topic or pursue research in the field

Critical Empathy as Teacher Education Reform Thomas A. Lucey, Kathleen S. Cooter, 2024-08-01 This book considers teacher training in social studies and finds it lacking a sense of genuine critical empathy a sense of shared humanity Current teacher education generally defines critical thinking as processes which examine topics in greater complexity but does not prepare candidates to study confront and challenge existing social structures Often in response to state mandates teacher education programs rate and interpret candidate quality based on their conformance with standards and defined outcomes There is a lack of tolerance for alternative views that may substantially challenge the often oppressive hierarchical system of authority in our world This volume which includes contributions from social studies educators in the U S Canada and Australia offers the thinking and practice of teacher education scholars who embrace the idea and practices of empathy in the social studies classroom Defined as the ability to understand and share the feelings of another direct emphasis on empathy represents a vehicle for developing a sense of mutual understanding and questioning of economic and social systems Developing teacher candidates who comprehend and experience the feelings of diverse education stakeholders provides opportunities for harmonious teaching and learning environments situated in the lives of learners
