

Nickels: 1
Pennies: 4

You can call your method in the program's main method so you can test whether it works, but you must remove it before checking your code for a score.

Hint - you might want to review the unit 1 lessons on the use of integer and modular division as you will need to be thinking about how many pennies there are in a single dollar bill, and therefore how you would work out the number of pennies (and how many pennies would be leftover).
